LA GRANDE, UNION COUNTY, OREGON, WEDNESDAY, NOVEMBER 7 1906

NUMBER 305

## HEARST FAILS TO CARRY HIS PARTY STRENGTH---NEXT CONGRESS WILL BE REPUBLICAN BY SEVENTY-SEVEN---CALIFORNIA AND IDAHO UNCERTAIN

### NEGRO ASSEMBLYMAN IS ELECTED

(Scripps News Association)  
**NEGRO ELECTED IN WISCONSIN**  
 Milwaukee, Wis., Nov. 7.—One of the surprises in Wisconsin's election was the victory of Lucien F. Palmer, a negro, over Thomas Eamsey for assemblyman from the richest district in the city. It is believed this is the first negro public officer in the state.

Joseph Weeks Babcock, representative from the third district, was defeated. Babcock has been a leader in the lower house, and in '05 was a member of the National Republican committee. Governor or Senator La Follette has been after his scalp for many years.

Milwaukee, Nov. 7.—Scattered returns from several towns and villages show that Davidson, Republican, will be elected governor over Alward, Democrat, his vote being two to one.

### VERY CLOSE IN IOWA

Des Moines, Nov. 7.—The election is still in doubt. The Capital, an anti-Cummings organ says that Porter, the Democratic Candidate for governor is elected by 12,000. The News, an independent paper says that the result is doubtful, but that Governor Cummings will pull thru by about three thousand. Cummings was elected three years ago by 79,000. The Republican state committee state that Cummings will have 20,000 plurality and the Democratic committee claim that Porter will carry the state by 25,000. The result will not be known before tonight.

### CUMMINGS WINS

Latest estimates indicate that Cummings is re-elected. The Capital this afternoon concedes that Cummings is elected by 5,000.

### JOINT STATEHOOD MEETS WITH FAVOR

(Scripps News Association)  
**JOINT STATEHOOD RECEIVED**  
 Phoenix Ariz., Nov. 7.—It is estimated on nearly a complete return that joint statehood has been received. But only twelve and a half per cent of the votes was cast.

Mark Smith was elected to congress by a small majority. The legislature will be Democratic.

### OKLAHOMA, NOV. 7.—THE DEMOCRATS WILL HAVE A MAJORITY IN THE CONSTITUTIONAL CONVENTION.

NEVADA GOES DEMOCRATIC  
 Reno, Nov. 7.—Almost complete returns from the larger precincts of the state show a sweeping Democratic victory. Bartlett, Democratic candidate for congress defeats Smith, Republican by 1,000. Governor Sparks, Democrat has been re-elected by about the same majority. The legislature is very close.

### LOUISIANA

New Orleans, Nov. 7.—All the Democratic nominees for congress have been elected in Louisiana.

### ALABAMA

Montgomery, Nov. 7.—Incomplete returns indicate an overwhelming victory for the entire Democratic state ticket and all members of congress.

### FORAKER IN 1908

Columbus Nov. 7.—It is authoritatively stated that the United States Senator Joseph B. Foraker has decided to become a candidate for president in 1908 and will go before the National Convention with the Ohio convention behind him.

### MORAN SEEMS ELECTED

Boston Nov. 7.—Moran seems to be elected in this state. However, the Republican candidate is running close.

### GOODING AND STOCKSLAGER RACING NECK AND NECK

(Scripps News Association)  
**BOISE, NOV. 7, 3:45 P. M.—DEMOCRATS CLAIM THEY HAVE ELECTED THE GOVERNOR BY 900.** The balance of the state ticket is Republican, with the possible exception of the secretary of the state. Strong Republican counties have given Democratic majorities. The Republicans will have the legislature, which insures the election of Borah to the United States senate.

### CLOSE IN IDAHO

Boise, Nov. 7.—The result of the election for governor cannot be definitely known before night. It may require an official count to determine whether Gov. Gooding has been defeated by C. O. Stockslager the Democratic nominee.

### BROOKS RE-ELECTED IN WYOMING

Cheyenne, Wyo., Nov. 7.—Sixty one precincts out of 361 give Governor Brooks, Republican, a plurality of 1357. His plurality in the same precincts two years ago was 1120, when he carried the state by about 6000. Mondell is returned to congress by about the same vote. The legislature is Republican by a large margin.

### ALLEGED FRAUD IN DENVER

Denver, Colo., Nov. 7.—Chief Justice Gabbert was re-elected. It is thought that tickets were greatly scratched. Simon Guggenheim will probably succeed Patterson in the senate. The Democrats are crying fraud. It is the general opinion that an investigation will follow.

### BRYAN EXPRESSES ON HEARST

Lincoln, Neb. Nov. 7.—William Bryan is unwilling to comment until the final returns are in but said, "A reduction of the Republican majority in New York is as much a triumph for Hearst as if he had been elected."

### HEARST CARRIES NEW YORK CITY

(Scripps News Association)  
**NEW YORK, NOV. 7.—THE LATEST RETURNS SHOW THAT HUGHES IS ELECTED BY A PLURALITY OF 60,204 OVER HEARST.** Hearst ran behind his ticket in Greater New York and in many up state counties. At noon today indications were that Changer, the Democratic nominee for Lieut. Governor and the rest of the state Democratic ticket may have been elected. Changer has a plurality in Greater New York of 145,000, which breaks all previous records for this office and other Democratic nominees ran ahead of Changer in this city. Late incomplete returns from the up state on the remainder of the ticket show fluctuations.

### HEARST ADMITS DEFEAT

New York, Nov. 7.—While Hearst admits that Mr. Hughes is elected he claims that the next comptroller, attorney general and possibly the next secretary of the state will be a Democrat.

### COMPLEXION OF CONGRESS

New York, Nov. 7.—The unofficial count shows that the next national house of representatives will have 232 Republicans and 154 Democrats.

### ROOSEVELT CONGRATULATES

Washington, D. C., Nov. 7.—President Roosevelt this morning wired his congratulations to Charles Hughes.

### REPUBLICAN GAINS IN CONGRESS

Washington, Nov. 7.—With a majority in the lower house of Congress between sixty and eighty, when they only expected fifty and with legislatures that are elected that will assure control of the United States senate and with Republican tickets chosen in eighteen states, and opposition candidates beaten in New York and Massachusetts, the "Grand Old Party" is jubilant.

Taken all around it can only be construed as an emphatic endorsement of Roosevelt's policy. The people complied with his wishes for a Republican congress.

### WASHINGTON COMMENTS

Administration circles are commenting upon the various features and results. The failure of the Gompers movement is noticeable. Every candidate fought by Gompers was re-elected with the exception of Wadsworth, in New York and Babcock, in Wisconsin. In both cases local issues were responsible. La Follette has been after Babcock's scalp for years. The fight on Longworth failed and the CROKER IS HAPPY

London Nov. 7.—Croker today expressed his satisfaction over the defeat of Hearst and hinted that he believed the Democratic party needed a new leader and thinks that McCarran is the proper man, but says that such a suggestion from him would be resented. Croker was surprised at the big vote that Hearst received in New York city and explained "I suppose that Tammy wanted to be a 'regular' I find no fault with them, the mischief was done when Hearst was nominated.

I do not care to indicate what New York Democrats should do. I am only a private citizen and nothing under Heaven could induce me to resume the leadership of Tammy." Croker also stated that he hoped that William Jennings Bryan would be nominated in 1908.

### HUGHES DINED

(Scripps News Association)  
 New York, Nov. 7.—In accordance with their plans, in the event of Mr. Hughes either winning or losing the gubernatorial fight, the Republican club of this city gave a great banquet tonight at which Mr. Hughes was guest of honor. All the prominent Republicans in the city were present.

### TIPPECANOE BATTLEFIELD

(Scripps News Association)  
 Lafayette Nov. 7.—Today being the anniversary of the battle of Tippecanoe which was fought on Nov. 7, 1811 a large number of people visited the battlefield. An electric railroad now runs to the historic battlefield.

### BELL FACTION GRADUALLY ADMITS DEFEAT

(Scripps News Association)  
**SAN FRANCISCO, 4 P. M.—THE DEMOCRATIC MANAGERS CONCEDE GILLETTE'S ELECTION BY FROM EIGHT TO TEN THOUSAND.**

### GILLETTE IN CALIFORNIA

San Francisco, Nov. 7.—Altho the full returns from the state will not be in for a week, sufficient figures are at hand to confirm last night's estimate that Gillette, Republican, has been elected governor along with the entire state ticket, by majorities ranging from 8,000 to 15,000. The votes in San Francisco cannot be tabulated until late this afternoon but when that task is finished there will be little change in the figures. Gillette has carried the county by 10,000, but ran slightly behind the balance of the ticket. Practically complete figures on the vote for congressman show that the Republicans elect eight. Two of Ruef's judiciary candidates pulled thru by a narrow margin. Judge Cook for district court of appeals and Judge Morgan for the superior court. Democratic managers are still inclined to claim that Bell is elected governor but the figures are against them.

The Democrats this afternoon cut down their estimate of Bell's total plurality to 18,000 and concede Los Angeles to Gillette. This was based on the returns since noon but there is little doubt of Gillette's election by a small majority.

### STILL CLAIM BELL ELECTED

San Francisco Nov. 7.—The Democratic managers this morning issued a statement in which Bell's election was claimed by not less than 9,000.

They declare that Gillette carried fifteen counties with a total plurality of eighty seven hundred and give Bell forty-four counties with a plurality of 1900,525.

Bell figures that the number of counties has doubtlessly been exaggerated, particularly in Sacramento county where the Democrats claim 3,500 plurality but which really amounts to fifteen hundred.

### BROTHER-IN-LAW DEFEATED

San Francisco, Nov. 7.—Charles Hammon, Republican candidate for state senator, in Lake county, a brother-in-law of President Roosevelt, is apparently defeated.

### JOHNSON RE-ELECTED

St. Paul, Minn., Nov. 7.—Governor Johnson was re-elected by 60,000, the greatest majority ever given any gubernatorial candidate. The state is normally forty thousand Republican, but at the last election, the Republicans split and during the mixup, Johnson, the Democratic candidate slipped in and since holding the office has demonstrated his ability. His re-election was a foregone conclusion. He is talked of as a candidate in 1912 for President.

### REPUBLICAN CONGRESSMEN IN WASHINGTON

(Scripps News Association)  
**REPUBLICAN CONGRESSMEN**

Seattle, Nov. 7.—Incomplete returns from all portions of the state point to the election of the entire Republican ticket. There appears no doubt that Congressmen at large Francis W. Cushman, Wesley L. Jones and William E. Humphrey are re-elected.

Memphis, Tenn., Nov. 7.—The Republicans elected the first and second district candidates for congress. The Democrats have elected all others except the eighth district which is still in doubt.

### REPUBLICAN GAINS IN ST. LOUIS

St. Louis, Nov. 7.—With the exception of five justices of the peace and five constables, the Republican ticket surprises many. Precincts that have long been regarded as absolutely Democratic have returned large Republican Majorities.

## TWO BOYS SHOT BY COMPANION

(Scripps News Association)

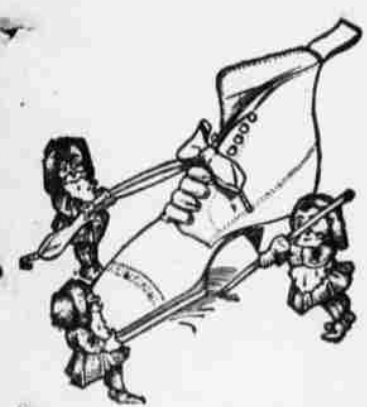

Stockton, Cal., Nov. 7.—Louis Raggio, aged 14, and John Raggio, aged 12, were shot yesterday afternoon by Robert Benson, aged 15. Louis died this morning and John will not probably live but a few hours. The Raggio boys taunted young Benson about his marksmanship, when Benson reached for a cartridge, slipped it into his gun and fired point blank. Both boys dropped mortally wounded. Benson was arrested and made the statement that he shot the cartridge was blank.

### SPORTING PRINCESS

(Scripps News Association)

New York, Nov. 7.—The Princess De Montglyn of France has arrived here from Montmatre her county seat. She came to this country to visit the Horse Show and the meeting of the Ladies Kennel Association. The princess is quite a sportswoman, a fearless rider to hounds and possesses one of the fanciest dog kennels in Europe.

## The Luxury of Good Shoes

Nothing to compare with the greatful comfort of shoes that fit.
