LA GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPAL.
MRS. DAY, ASSISTANT.

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 3 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.

the same time amusing and interesting. It teaches a wholesome lesson; it leaves no bad impressions, but rather an abiding pleasure that benefits and inspires and rests those who see and hear it. The Rowland & Clifford Company is presenting the only authorized and genuine version of this beautiful play and the performance has been highly praised everywhere. Miss Maud Brandon is the "Dora" with this attraction and her work is highly spoken of everywhere. Steward's opera House Wednesday November 14.

WILL MEET IN PENDLETON

AN AGED PHYSICIAN

After Years of Experience Gives the following Advice.
"If you have anything to do with medicines at all be pretty sure you know what you are taking.
Mr. Newlin of the Newlin Drug Co., says this is a strong point in favor of their valuable cod liver preparation, Vinol.
Everything it contains is plainly printed on the label, therefore it is not a patent medicine.

Vinol contains in a highly concentrated form all of the medical elements of cod liver oil, actually taken from fresh cod's livers, but with the useless, nauseating oil eliminated and tonic iron, which is a needful constituent for the blood added.

This is the reason that Vinol accomplishes such wonderful results in curing chronic coughs, colds, bronchial and lung troubles, and there is nothing known to medicine that will so quickly build up the run down, overworked, tired and debilitated, or give strength and renewed vitality to the aged as Vinol.

We can only ask every person in La Grande who needs such a medicine to try Vinol on our offer to return their money if it fails. Newlin Drug Co.
Note—While we are sole agents for Vinol in La Grande, it is now for sale at our leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

The Reason Why

Only Nine flour Dealers handle La Grande Milling Co.'s flour. Is because there is only nine of them here in that Business. So you see if the goods was not all right, there would be nine of them that would not handle it. With Our three Expert Wheat Buyers stationed all along the Elgin Branch enables us to get the Pick of the Wheat. So tell your Grocer that you Prefer the kind that is made here, its all Guaranteed you take no chances.

All our groceries are good, clean, fresh, and pure. The kind that will make your meals very delicious, and give the house-wife an easy task in preparing it.

We challenge the city on fresh farm produce and berries. Everything that should be found in a first class grocery.

THIS IS THE LAST CHANCE!

10,000 SHARES

of Aurelia Mining Stock are now offered at 15c per share. When this block is sold no more will be offered and the price will be advanced to 20c per share. One year ago the stock sold for 5c, today at 15c. You will have the same chance now to double your money in the next year.

The Company has decided to sell this much of its treasury stock to clean up its debts. It has cost slightly more than was calculated to install its present plant and build roads, etc., and the Company is desirous of keeping the Aurelia out of debt. So for this purpose and only for this, the Company offers the above treasury stock. Buy now if you desire a holding with us. The property is well enough known to need no mention here. But will say that our mill run on the ores was a success, as was show by the assays return. Tailings taken every hour showed \$2.00 per ton, and the concentrates assayed \$223.55. This is extra for a start up.
