# LA GRANDE BOYS FIGURE IN OREGON COLLEGE ATHLETICS

Reynolds, Grout, Kilpatrick and Hawley are Making Good in Their Respective Schools as Students and Athletes

(Observer Special)  
University of Oregon, Nov. 12  
Two La Grande boys, Kilpatrick and Grout, held positions in the second varsity team that snowed the second team from Corvallis, under the drifts last Saturday to the tune of 16 to 6.

The freshmen have chosen as their colors, green and white.

Robert Rountree, the clever impersonator is again in college and will probably accompany the glee club on its tour this winter.

Last Wednesday at an assembly Prof. Boynton, lectured on Wireless Telegraphy. He had a sending and a receiving station in operation on the stage.

R. N. Hockenberry of Portland umpired the Willamette game. Both sides considered him extremely fair, and accepted his rulings without protest.

The La Grande delegation keeps well informed as to home doings thru the medium of the EVENING OBSERVER.

Ralph Reynolds, also of La Grande played quarter on the Corvallis team. This is his first year in athletics, but he is playing a strong game. His chances for the varsity next year are good.

Frank Hawley a son of La Grande now attending the O. A. C. is first sub half back on Agies' varsity.

## THE ELGIN-ISLAND

Last Saturday the Island City team captured another scalp when they actually ran around Elgin at will.

Island City kicked off to the defender's 15 yard line, where the ball was fumbled by Elgin falling on it. It was but about a minute until the ball had been carried over by runs. From then on thru the first half it was run sheep run and scores piled up fast. However it was not because Elgin failed to work, that scores accumulated but rather because the ignorance of the game. Elgin players worked like Trojans, to keep back the visitors, but they did the wrong thing at the wrong time, and the score of twenty-eight to nothing was the consequence. Parker for the visitors skirted Elgin's right end for gains of ten to thirty yards repeatedly. His consistent gains were the features of the game, with the one exception where Walters for the Islanders got away for a spectacular run of fifty five yards. He was however, overtaken by an Elginit and downed but Parker carried the ball over the next play.

Jake Halgarth for the Elginites captain and quarter, went out of the game early and did much to weaken the strength of the team. Elgin is enthusiastic over its team regardless of the defeat and is making every effort to supply the much felt want, that of coaching. Island City made very few gains thru Elgin's line.

# GOLDEN RULE COMPANY BUYS WHITE HOUSE STOCK

Additional Room Secured—Great sale Starts Wednesday, Nov. 14—See the Blue Sign

The Golden Rule Company, ever ready to better provide for the wants of their customers, has purchased the twenty-five thousand dollar stock in Baker City known as the White House store, and has brot the same to this city to be disposed of at fifty cents on the dollar. # MALARIA AN INSIDIOUS FOE TO HEALTH

Malaria is an atmospheric poison which we unconsciously breathe into our lungs through the impure air arising from low, marshy places, stagnant ponds, damp cellars, sewer pipes, improperly ventilated houses, decaying vegetable matter, etc. Day after day these germs and poisons are taken into the lungs, and as the blood passes through them it becomes infected with the poison and in its circulation distributes the microbes of disease to all parts of the body. Malaria is a very insidious disease; it gives no warning of its coming until the circulation is filled with the poison and this foe to health has the system at its mercy. The blood becomes polluted, thin and weak and its slow, irregular circulation fails to properly nourish and strengthen the body. Then the entire system is attacked, and if the germs and poisons of Malaria are allowed to remain the strongest constitution will break down. No one can feel well when the system is in a malarial condition; the vitality is weak, the appetite poor, digestion deranged, the complexion grows sallow and the entire body feels the effects of the poison. Malaria must be removed from the system through the circulation and the only medicine that can accomplish this is S. S. S. It not only cleanses the blood of all unhealthy morbid matter, but destroys the germs, cures Malaria and restores this vital fluid to a strong, healthy condition. S. S. S. is made of roots, herbs and barks combining purifying and tonic properties which keep the blood free of all poisons and the system in perfect condition. While destroying the germs of Malaria and building up the weak polluted blood S. S. S. gives tone and vigor to the entire system. Book on the blood and any medical advice without charge.

**S.S.S. PURELY VEGETABLE.**  
THE SWIFT SPECIFIC CO., ATLANTA, GA.
