HAINES BOY IS SHOT

John Clark of Haines, a 16 year old boy, was shot and received a serious flesh wound Sunday afternoon by the accidental discharge of a gun. The lad was operated upon today by Dr. May at Radium Springs, and is getting along nicely. The wound is not a dangerous one but is rather serious.

Young Clark with some other boys, was driving in a buggy in the bottom of which was a short barreled shot gun. In some way due to the jolting of the rig, the gun was accidentally discharged. The charge of shot entered young Clark's leg between hip and knee badly tearing the flesh.—Baker City Herald.

PROSPEROUS WALLOWA

F. D. McCully of Joseph passed thru the city Saturday night enroute to Portland. Mr. McCully has been one of Wallowa county's most active citizens for a number of years and states that the county was never as prosperous as at the present time. In speaking of the change with reference to the county going dry he stated that it would never go wet again, hat many who voted against it were so we pleased with the results that they would advocate a dry county in the future. Mr. McCully is of the opinion that the next woolcrop will go out of the county on the cars.
