**FACTORY CLOSED FOR A TIME**

The sugar factory closed today noon to be idle for a few days. The shutdown was made necessary by the rains the past week. Beet pulling has been at a standstill for several days, and now that the rains seem over, the roads are in such a condition that beets cannot be hauled to the factory. Monday will no doubt see the wheels of the factory revolving once more.

**IMMENSE YIELD OF POTATOES**

The mountain country tributary to Weston is celebrated for its richness. Without irrigation, which is wholly unnecessary, the production of irrigated regions is often rivaled—sometimes surpassed. That it is surpassed with regard to potatoes the writer is able to bear witness. The mountain crop is a good one this year. Sam R. Caplinger especially has all local records beaten. From one-fourth of an acre he dug 82 sacks, or at the rate of 328 sacks per acre. He has more ground than this in "spuds," but of course the above average cannot be maintained. The potatoes are beauties—round, smooth and free from knobs or other blemish. He brot a dozen to town—a fair sample of the entire crop—that weighed 17 pounds and 12 ounces. Each hill yielded from eight to sixteen potatoes, all of first class quality. Mr. Caplinger also has fine crops of cabbage and celery, and finds that truck farming pays.—Weston Leader.

**DIVIDING THE BLAME**

A little girl in Brooklyn was discovered by her mother engaged in a spirited personal encounter with another little girl of her own age. Both combatants showed signs of the encounter. The mother took her daughter into the house, and talked to her regarding the awfulness of her conduct. "Don't you know such conduct is wrong?" asked the mother. "It was Satan that urged you to fight." "Well," said the little girl, "maybe he told me to pull her hair, but I thot of kicking her shins all by myself."

**MARY AGNES PERRY**

Mrs. Charles Perry, of Glens Falls, N. Y., writes: "I wish I could induce every mother who has a weak, sickly child to try that delicious cod liver oil preparation, Vinol. Our little daughter lost flesh, was thin, pale and sickly, and nothing seemed to do her any good. Having heard of Vinol we decided to try it, and the results were marvelous. It restored her appetite and she gained in weight right along; the color has returned to her cheeks and she seems stronger than she has for years." Every mother in La Grande is asked to try Vinol. It certainly does make children robust, strong and healthy. Vinol is a pure cod liver and tonic in preparation, without a drop of oil to upset the stomach and retard its work. It is delicious to the taste and children love it. We have never sold anything in our store equal to Vinol to create strength for old people, weak, sickly women and children. NEWLIN DRUG CO.
