LA GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPAL.
 MRS. DAY, ASSISTANT.

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 5 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
 Opposite the Foley House over the candy store. Phone. 473.

GENERAL NEWS AS OUR EXCHANGES SEE IT

(Union Republican)
 Adam Crossman has sold out his grocery store at Cove, and will concentrate his efforts at Union.

Frank Wilson, son of Mr. and Mrs. B. F. Wilson, fell from a tree last week and was quite seriously hurt. He is up and around again this week.

The Central Railway Company this week announce shipping rates over the completed portion of the Cove line. Sugar beets, apples and hay are coming in over this line.

Mrs. C. E. Cochran entertained a large number of ladies Friday afternoon in honor of Mrs. Geo. Cochran and Mrs. Greene of La Grande.

The idea of an excursion to Cove seems to meet with public favor. La Grande is catching the spirit, and will send a large delegation when the time comes.

Prosecuting Attorney F. S. Ivanhoe was over from La Grande Saturday. He has succeeded in sending a nice bunch of criminals to the pen, thus far.

Catherine Creek was higher this week than it has been, at this time in the year. The creek has been fairly blooming, the volume of the water resembling the spring freshets. Very heavy rains have fallen in the mountains this week.

There has been a slight delay this week in the matter of laying steel on the Central Railway, which the Company regrets exceedingly, but owing to the heavy rains the delay could not be avoided. It is the intention of the Company to complete the track to Cove at the earliest possible day, and the material is on hand for the balance of the track to that point. Just as soon as the weather clears up, work will be resumed.

Occasionally one has the fortune to meet women who are ideal in looks and figure. Ninety-nine times out of a hundred you will find she takes Hollister's Rocky Mountain Tea. Tea or Tablets, 35 cents. Newlin Drug Co.

POSING

is perhaps the most important point in securing a good picture, and it's a point to which we give much care. We study each subject and bring out the character individuality of the face to the best advantage. The same care is given to every part of the work, to the retouching, Printing, Toning and Mounting, so that the finished picture is a pleasure to you and a credit to

Our Graduates Receive Large Salaries

Graduates of the Pendleton Business College receive higher salaries, on the average, than the Graduates of any other Pacific Coast Business College. This is a matter of statistics. Let us show you the "documents in evidence" You will enjoy attending Pendleton Business College. Every bit of work is made interesting and attractive. Besides, we have a lot of bright, clean young men and women whose company you will enjoy and whose companionship will do you good.

PENDLETON BUSINESS COLLEGE

PENDLETON OREGON

THIS IS THE LAST CHANCE!

10,000 SHARES

of Aurelia Mining Stock are now offered at 15c per share.

When this block is sold no more will be offered and the price will be advanced to 20c per share. One year ago the stock sold for 5c, today at 15c. You will have the same chance now to double your money in the next year.

The Company has decided to sell this much of its treasury stock to clean up its debts. It has cost slightly more than was calculated to install its present plant and build roads, etc., and the Company is desirous of keeping the Aurelia out of debt. Sold for this purpose and only for this, the Company offers the above treasury stock. Buy now if you desire a holding with us.

The property is well enough known to need no mention here. But will say that our mill run on the ores was a success, as was show by the assays return. Tailings taken every hour showed \$2.00 per ton, and the concentrates assayed \$223.55. This is extra for a start up.
