Cured After Physicians Said He Had Consumption.

E. H. Jones, Pastor M. E. Church, Grove, Md., writes: "About seven or eight years ago I had a very severe cold which physicians said was very near pneumonia, and which they afterwards pronounced consumption. Through a friend I was induced to try a sample of Foley's Honey and Tar, which gave me so much relief that I bought some of the regular size. Two or three bottles cured me of what the physicians called consumption, and I have never had any trouble with my throat or lungs since that time."

Three sizes—25c, 50c, \$1.00. The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

HERE IS A CHANCE

Fred Housch, manager of the Grande Ronde Electric Company has received inquiries from the Ox Bow Power Company of Idaho for 6,000 electric light poles. This means a contract of between \$18,000 and \$20,000. As the poles must be of Tamarack or black pine, of which we have both in this vicinity, it is an order worth looking after. Interested parties might secure additional information by interviewing Mr. Housch.

FROM THE MINES

W. F. Hendricks and Chas. Chamberlain have just returned from their mines up Grande Ronde River. They each have located claims which are promising, to say the least. Mr. Hendricks has a twenty foot tunnel on his property with a well defined ledge. There is no question but there will be more work done in this camp the coming spring than there has been for years. The recent raise in the price of silver will open several properties, that have not been worked for years.
