MOULLEN FOR COLLEGIANS SCORES TWO FIELD GOALS

O. A. C. Meets Defeat at Hands of Methodists by Score of Four to Nothing.

(Scripps News Association)
Portland, Nov. 29—In the hardest fought and best played battle of the year, Oregon's university today avenged ten years of defeat on the gridiron, by defeating Multnomah Athletic Club by a score of eight to four, before a crowd of eight thousand. It was nine minutes after the game was called before the collegians recovered from stage fright. James kicked a goal for Multnomah very early in the first half. The score of four to nothing in favor of the club, only caused the school boys to rally and thenceforth they had the best of the game. The ball was constantly in the club's territory. The collegians forced the fighting and by brilliant end runs kept Multnomah's goal in constant danger and held like a stone

wall against the attempts of the club men to gain. The first half ended with the ball in the center of the field. During the last half the collegians played brilliantly. Moulten, who has distinguished himself thruout the entire season, placed himself in a running plane with Eckersall, of Chicago, by twice in one half, kicking a field goal. His punting, too, was a feature of the game, and his exhibition with his booting leg, is still the talk on all the street corners of Portland and Eugene.

(Scripps News Association)
Salem, Ore. Nov. 29—Four to nothing was the score by which the University of Willamette defeated the Agricultural team from O. A. C. in an intensely interesting game today. Willamette's score was made by a place kick in the first half. From the time that Rader gathered in the ball after O. A. C.'s kickoff, it was evident that the Methodists had the better team. By repeated end runs of five to twenty yards, by Rader, Nace, and Thomas, the ball was carried across the field so quickly that it looked like Saieim had a walkover. Coleman after two attempts made a place kick, making the only score of the game. Corvallis improved as the game progressed. Rader, Nace, and Coleman were the stars for the home team. Wolf, Bennett, and Looney did the best work for the Agies.

MADE NO ATTEMPT TO SAVE HER

(Scripps News Association)
Herkimer, N. Y. Nov. 30—Gillette is on the stand today in his behalf on the charge of murdering Miss Grace Brown in Moose Lake, and admitted that he made no effort to save her life. The prosecuting attorney said, "Altho you swam in the Pacific at Honolulu and at San Francisco and are known as a strong swimmer, you swam ashore when the girl leaped over board." And Gillette admitted that he did. The prosecution dragged Gillette again over the scene of Grace Brown's death, during the cross examination, picking up Mr. as most unexpectedly and which secured many admissions which will not hold the defendant. The case has created much excitement in this city and the court room is crowded.

Clearance Sale of Womens' Suits Price cut Averages One Third

Such price reducing is nothing short of wonderful—is it? Beyond that—its unprecedented and unmatched, considering the season. It encourages immediate buying as no suit offerings ever did. "Encourages"—we say, more than that, it demands or compels buying. Savings of one half on a stylish, seasonable, and needed suit is far too unusual to resist. No thrifty, prudent woman whose wardrobe has room for one of these suits will attempt to resist such opportunities. And we expect many women will take two or three or even a half a dozen.

WHAT'S THE REASON FOR THIS PHENOMENAL MARKDOWN?

—clearance—end of the suit selling season. Time for suits to step out lively—must give their space to the Holiday Goods. Here's more in detail about the suits—read.

We have placed the following ladies' suits in four lots, regardless of cost.	Lot 3—This lot takes in all the nobby suits that have been selling at \$16.50 to \$20. This is the largest assortment we have on hand and the greatest values, sale	\$8.95
Lot 1—Takes in all out of season stock material, being good goods, skirts alone worth twice the price we ask for the suit, values \$7.50 to \$13.50, sale	Lot 4—This lot holds a few of our choice numbers in special values, but must be closed out with the rest, sale	11.85
Lot 2—Under this lot comes all our new and up-to-date goods, all the new goods of the season tastily made, regular values \$10 to \$16, sale		
		7.35
		\$3.98

SKIRT BARGAINS FULLY COMMENDABLE

The suit section won't be the only abnormally busy spot in our store. The skirts will sound the same saving chord as will startle the sense of economy among the suits. Here—too, Clearance is the object in many instances. When we say "Clearance"—prices drop down with a thud and a quick—decisive—selling is resultant.

Here is the way we do it. We place our skirts in four large lots.	Lot 3—This takes in all our \$7.00 to \$10.00 skirts, consists of fancy blacks and solid colors. All go at sale	\$5.95
Lot 1—In skirts holds all our \$3.00 to \$4.50	Lot 4—This takes in the last and greatest bargains of all. You know our reputation for new and up-to-date skirts, fancy and colors	8.50
Lot 2—Under this head we place all our \$4.50 to \$8.00 values, a great assortment, new designs, all new goods		
		2.98
		\$1.98

CHICAGO PASTOR IS OSTERIZED

(Scripps News Association)
Chicago, Nov. 30—The Rev. Mr. Chase owing to being unable to raise in full the amount necessary to build a new church and physical inability to visit his parishioners today resigned his pastorate in deference to the wishes of the trustees of his church. He is only sixty years old and collected \$15,000 toward the new church fund but the trustees thought he was slow in getting the other \$4,000 necessary and osterized him. It has been admitted that Mr. Chase was 42% corn opened at 42% returned this morning.

FOOTBALL GAME IN LA GRANDE TOMORROW

At a late hour today Manager Bay for the local high school closed arrangements with the Island City foot ball team to play here tomorrow afternoon at the baseball park. This is the first game for La Grande at home, and altho Island City defeated the locals early in the season, it is no sign that they can do it now. The work of picking apples, which kept many legible players out of the game at time, now allows heavier and more experienced players than met Island City at the latter's ground early this fall. This is doubtless the only opportunity La Grande will have of seeing a game and should be well attended. This is some expense attached to the game and the team has decided to charge twenty-five cents for admission. Game called at 2:30.

DON'T NEGLECT COUGHS

Nature Might Cure Your Cough Without Aid, But You Can't Afford To Chance It.

A cough that is left to "cure itself" is slowly overcome at best, and there is apt to be some weakness left to make the next cough come easier. Newlin's White Pine Expectorant is nature's best assistant. It makes the cure easy, quick and thorough. It is perfectly harmless, and is equally good for old or young. It doesn't pay to trifle with coughs when you can buy a remedy on these terms. Money back if the remedy fails.
