MAN FOUND DEAD

From the effects of a blow on the head which he received at Umatilla last Friday an unknown man died at the poor farm this morning. Who he is or where he is from is as deep a mystery as though he had been without identity.

Last Friday the man was found at Umatilla by the marshal at that place. He had been hit over the head and was partly stunned from the effects of the blow. He refused to tell who he was, or who had hit him. On the following day he was brot to Pendleton for treatment. He was met at the depot by Sheriff Taylor who turned him over to Dr. W. G. Cole, county physician. While with the sheriff the man refused to tell his name, and for several days past he has been unable to talk.

In stature the deceased is small, and he is apparently about 35 years of age. He has auburn hair, a short stubby beard, small chin, large forehead and a rather large Roman nose.

In the absence of any information regarding the man's relatives he was buried this forenoon in the potter's field at Olney cemetery.—East Oregonian.

WOOD SCARCE ON MOUNTAINS

R. R. Collins, one of the pioneer wood dealers of Kamela, is in the city this afternoon on his way to visit his family at Freewater.

He says the supply of wood on the Blue Mountains is very small and he doubts if it is sufficient to last Pendleton and Walla Walla until spring even if it is all shipped out. A large force of men and teams is working at Meacham, Kamela and other wood points hauling wood from the timber to the railroad. The snows about 10 inches deep at Kamela and sledding is very good and the wood men are hurrying their work to finish hauling while the snow lasts.

Mr. Collins has about 300 cords of wood in the timber near Kamela, which he will soon deliver at the railroad. There are now but 200 cords on the dump at that place. Cars are being loaded every day and the supply is vanishing rapidly.—Pendleton E. O.

GOOD WATER SUPPLY

"The Dalles has special reason to congratulate herself on her supply of pure water," said a leading physician yesterday. "To that one owes her escape from the typhoid epidemic which is raging in so many cities about her."—The Dalles Chronicle.

LIGHT MERGER

It is announced that all of Isaac W. Anderson's electric light and power plants have consolidated under one management, with A. L. Welch, president and manager. The plants include those at Eugene, Springfield, Albany, Cottage Grove, Corvallis, Seaside, Roseburg, Baker City and Pendleton, Or., and Walla Walla, Wash.

A WARNING

To The People Of La Grande

"Sudden changes in the weather cannot help but result in coughs, colds, bronchial troubles, the gripe and other sicknesses. This weather is also bad for old people and those who are run-down or have a tendency to any weakness or disease."

Said Mr. Newlin of the Newlin Drug Co. "It seems to me that every man, woman and child in La Grande, especially the aged and run-down, should be warned thru the columns of your paper to build themselves up and take proper precautions to ward off sickness at this season of the year, and there would be much less suffering and fewer deaths in La Grande."

When asked what was considered the most universally successful medicine they had ever sold for that purpose, without hesitation the druggist answered, "Our modern cod liver preparation, Vinol. You know it is not a patent medicine, and it does not contain any useless oil to clog the system and upset the stomach, but it does contain every one of the medicinal, curative and body-building elements of cod liver oil actually taken from fresh cods' livers, with tonic iron added."

Vinol cures coughs, bronchitis, strengthens the aged builds up the weak and run down, and makes rich red blood. If it fails we return your money. Newlin Drug Co.

Note—While we are sole agents for Vinol in La Grande, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

A YEAR OF BLOOD

The year of 1903 will long be remembered in the home of F. N. Tackett, of Alliance, Ky., as a year of blood; which flowed so copiously from Mr. Tackett's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brot me at death's door, when I began taking Dr. King's New Discovery for Consumption, with the astonishing result that after I had taken four bottles I was completely restored and as time has proven permanently cured." Guaranteed for Sore Lungs, Coughs and Colds, at Newlin Drug store. Price 50cents and \$1.00. Trial bottle free.
