S.S.S. PURELY VEGETABLE

Not only is it a valuable tonic for its ability to cure disease, but the way in which it affects the system is a very important factor. When the system is infected with the germs of disease as in Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison, etc., every particle of the vegetable strength is used to assist in eliminating the poisons and impurities which are causing the trouble. It should not be dosed and treated with strong mineral waters and concoctions that further add to the burden by increasing the weight of the blood, producing indigestion, or eating and irritating the lining of the stomach. The absolute vegetable purity of S.S.S. is always one of the strongest points in its favor. It is the principal reason for its being now the most widely known and trusted blood medicine on the market. It is made entirely of healthy, purifying herbs and barks of the forest and fields. These are selected for their well known curative properties and are known at the same time to possess the qualities to build up and strengthen every part of the system to their fine tonic effect. Not only is S.S.S. the king of blood purifiers, but it is the one medicine that may be taken with absolute safety by young or old. We guarantee it non-injurious and offer a reward of \$100.00 if it does not contain a particle of mineral in any form. S.S.S. is a safe and reliable treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison, and any and all diseases arising from a poisoned or impure state of the blood. It goes to the very bottom of these troubles, removes every trace of disease, enriches and builds up the blood and purges away every mineral medicine. If you are suffering with any form of blood disease write for our book on The Blood and ask for any medical advice you may desire: no charge for either. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

ALMOST A HOLOCAUST

(Scripps News Association)
Indianapolis, Ind., Dec. 5—Girls of the Rathbun Match Company factory this morning narrowly escaped a holocaust, seven being severely injured. Matches exploded and burned about their heads and shoulders. Others sustained sprained backs in the struggle to make their escape. Three were compelled to leap from an upper floor to the ground to escape roasting.

AMERICAN FAIR ASSOCIATION

(Scripps News Association)
Chicago, Ill., Dec. 5—The annual meeting of the American Association of Fairs and Expositions was held in the Grand Pacific Hotel here today. There was a full attendance of delegates from all parts of the states. There were many interesting addresses dealing with the starting and naming of fairs.

EXHIBITION OF ROOSTERS

(Scripps News Association)
Patterson, N. J., Dec. 5—Over 1,000 common or game roosters are on exhibition here today. The Patterson Poultry, Pigeon and Pet Stock Association are offering silver cups and money prizes for the best specimens.
