LA GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPAL
MRS. DAY, ASSISTANT

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments: No. 1 is for beginners from 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 5 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.

PAT M'COY
IMPROVING
SPLENDIDLY

James McCoy returned this morning from Portland, where he visited his son, Pat, now in a Portland hospital suffering with a broken leg and a crushed foot. Mr. McCoy stated this morning that his son was doing splendidly and that no amputation would be necessary, if he continued to improve as he has in the past. There seems to be no complication and everything points to the young man retaining his limbs.

NOTICE OF ANNUAL MEETING

The annual meeting of the La Grande Commercial Club will be held at the Club parlors on Tuesday evening, December 11th, 1906, at the hour of 7:30 o'clock, for the purpose of electing officers for the ensuing year.

In order to allow all those who wish to attend the opera house on that date to do so, this meeting will be called to order at 7:50 o'clock sharp.

OFF FOR ELGIN

Tomorrow morning the football team is off for Elgin. Elgin went down to defeat three times to Island City and the local highs were also defeated by the Island team, so the outcome of this game is not even decidable by comparative scores. Many will go from this city.

AFTER SICKNESS

Our Local Druggists, The Newlin Drug Co., Advise La Grande People to Take Vinol

The one thing to aid recovery is to give the patient a blood-building and strength restoring tonic, one that will impart new life and strength to every organ in the body.

For this purpose Mr. Newlin of the Drug Co., says: "Nothing equals Vinol." Vinol is not a patent medicine, but a real cod liver preparation which contains besides peptonate of iron every one of the body-building, medicinal elements of cod liver oil, actually taken from fresh cods' livers; but without a drop of the nauseating, greasy oil to upset the stomach and retard its work.

Vinol is delicious to take, and acts directly on the stomach, tones up the digestive organs, creates a healthy appetite makes pure, rich red blood and muscle tissue, and creates strength for every organ in the body.

If Vinol fails to build up the run down and convalescent, give strength to the aged, cure stomach troubles, hard colds and hanging-on coughs, we cheerfully re- every dollar paid us for it. Newlin Drug Co.

NOTE—While we are sole agents for Vinol in La Grande, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

WOODMEN SOCIAL

The Woodmen of the World will give a social and entertainment at their hall next Friday evening, beginning at 7:30. All members of the lodge, with their families, are invited. A special invitation is given to the ladies of Woodcraft and members of other camps, who may happen to be in the city. There will be no business session of the camp at this meeting but the entire evening will be given over to amusement.

The entertainment will be elaborate. An excellent moving picture machine, in fact, the best that can be had, will give views from various parts of the United States. Speakers of repute will also be there. The best local talent in music will be heard during the program. All members of the local lodge may invite one friend, the friend being privileged to bring his family, if he has one. Their will be no charge, the entertainment and refreshment being gratis.

By order of Committee,
FRED JACOBS,
J. H. KEENEY.

SQUARE DEAL vs. MISREPRESENTATION

A \$20.00 Gold Piece has but one value; that is \$20 00. To say it is worth \$25.00 would be misrepresentation.

A Piano has but one value, and that fixes the price of the Pianos. To ask more for it, is misrepresentation of its value and price.

A Man who will misrepresent price and value will as readily misrepresent quality.

There are two plans of selling Pianos. One is the "One Price Plan," whereby prices are fixed according to value, which is derived from quality. The other is "Get-as-much-as possible Plan." Houses that operate this plan will price a piano at \$450, but will accept any price between that and \$225, and sometimes less, it depends on the trading ability of the customer.

Ours is the "One Price Plan" because the prices on our pianos are fixed according to value, derived from quality, and there should never be any need of misrepresenting.

No piano has more than one value and can therefore have only one right price. If you think of ever getting a piano come in and let us give you our prices and terms.

every man who is a smoker loves a good cigar. The man who don't smoke don't know what a pleasure he is missing, especially if the cigar be a La Fiora De Hackman—ten cents and bit. Have a box of fifty or a hundred—or if your guests are few—twenty-five of them and they will top off your turkey in a manner worthy of the day.

"A dangerous surgical operation, involving the removal of a malignant ulcer as large as my hand, from my daughter's hip, was prevented by the application of Bucklen's Arnica Salve," says A. C.
