STORAGE RESERVOIR

(Scripture News Association)
 Roosevelt, Arizona, Dec. 8.—The largest irrigation reservoir ever constructed is now being built near this city. It will be completed by the creation of a great dam which will enable the holding of 1,400,000 acre-feet of water, or enough to cover that many acres of land a foot deep. It will be used by farmers in supplying the needs for their crops in the fertile lands below the reservoir.

SANTA CLAUS GETTING BUSY

(Scripture News Association)
 Chicago, Ill., Dec. 8.—The first cargo of Christmas trees have arrived here from the bleak acres of Lake Superior, a little south of the Summer grazing ground of St. Nicholas reindeer. The little trees are of very heavy foliage.

NO IMPROVEMENT IN BRISCO

Thomas Brisco of Island City, returned this morning from Salem where he went with his son who has been adjudged insane. En route to the asylum the young man grew even more violent than when he was here. Mr. Brisco reported the asylum superintendent's view of the young man's condition and gave but little encouragement. He said that it had been his experience with a case of this kind, that when the mania did leave them, their physical condition would be completely wrecked, and the nervous strain and shock generally caused instant death. Mr. Brisco feels that his son is being well cared for and still entertains hopes that some day the son can return to the family.

SQUARE DEAL vs. MISREPRESENTATION

A \$20.00 Gold Piece has but one value; that is \$20.00. To say it is worth \$25.00 would be misrepresentation.

A Piano has but one value, and that fixes the price of the Piano. To ask more for it, is misrepresentation of its value and price.

A Man who will misrepresent price and value will as readily misrepresent quality. There are two plans of selling Pianos. One is the "One Price Plan," whereby prices are fixed according to value, which is derived from quality. The other is "Get-as-much-as-possible Plan." Houses that operate this plan will price a piano at \$450, but will accept any price between that and \$225, and sometimes less, it depends on the trading ability of the customer.

Ours is the "One Price Plan" because the prices on our pianos are fixed according to value, derived from quality, and there should never be any need of misrepresenting. No piano has more than one value and can therefore have only one right price. If you think of ever getting a piano come in and let us give you our prices and terms.
