Held's Tourist Bulletin, of Portland
goes after Portland, Tacoma and Seattle
over their personal fights against each
other and very wisely says there is room
for all three of these cities and they do
the coast an injury by continually fighting
each other, all of which is true. Legiti-
mate rivalry is all right but the knocking
process is all wrong.

Output of beet sugar in Oregon, Wash-
ington Idaho and California is worth \$20-
000,000 this year, a means of wealth
production in which Lane county should
have a share but has not, for the simple
reason that, while we can produce a fine
quality of sugar beets, we have been un-
able so far to produce the man with the
necessary capital who desires to embark
in the enterprise.—Eugene Guard.

A Rhode Island man left \$10,000 a
year to his horse, a dog and a parrot, but
the animals have died. There is said to
be a problem as to the future disposition
of the money, but the donkeys seem to be
next in line.—Globe Democrat. Rather
didn't the donkey die first?

GEO. L. CLEAVER, Secretary

Treating Wrong Disease.

Many times women call on their family
physicians, suffering, as they imagine,
one from dyspepsia, another from heart
disease, another from liver or kidney
disease, another from nervous exhaustion
or prostration, another with pain here and
there, and in this way they all present
able to themselves and their easy-going
and indifferent, or over-busy doctor, sep-
arate and distinct diseases, for which he,
assuming them to be such, prescribes his
pills and potions. In reality, they are all
only symptoms caused by some uterine
disease. The physician, ignorant of the
cause of suffering, encourages this prac-
tice until large bills are made. The suf-
fering patient gets no better, but probably
worse, by reason of the delay, wrong
treatment and consequent complications.
A proper medicine like Dr. Pierce's Fa-
vorite Prescription, directed to the cause
would have entirely removed the disease,
thereby dispelling all those distressing
symptoms, and insuring comfort in-
stead of prolonged misery. It has been
well said, that "a disease known is half
cured."

Dr. Pierce's Favorite Prescription is a
scientific medicine, carefully devised by
an experienced and skillful physician,
and adapted to woman's delicate system.
It is a potent purifier of the blood, and
is perfectly harmless in its effects in any
condition of the system.

As a powerful invigorating tonic "Fa-
vorite Prescription" imparts strength to
the whole system, and to the organs dis-
tinctly feminine in particular. For over-
worked, "worn-out," "run-down," debil-
itated females, milliners, dressmakers,
seamstresses, "shop girls," housewives,
nursing mothers, and feeble women gen-
erally, Dr. Pierce's Favorite Prescription
is the greatest earthly boon, being un-
equaled as an appetizing cordial and re-
storative tonic.

As a soothing and strengthening nerve
"Favorite Prescription" is unequalled
and is invaluable in allaying and sub-
duing nervous excitability, irritability,
nervous exhaustion, nervous prostration,
neuralgia, hysteria, spasms, chorea, St.
Vitus's dance, and other distressing, nerv-
ous symptoms commonly attendant upon
functional and organic disease of the
uterus. It induces refreshing sleep and
relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate
the stomach, liver and bowels. One or
three a dose. Easy to take as candy.
