### LA GRANDE SCHOOL OF MUSIC

PROF. DAY PRINCIPAL  
MRS. DAY ASSISTANT.

This is one of the best musical institutions in the state and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes the latest discoveries in the art of teaching music. The school is divided into two departments. No. 1 is for beginners from 5 years of age and are taught 5 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 5 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.
