ENGINE IS RESTING ON A BLUFF

In the collision which occurred at Riverview on the O. R. & N. Tuesday evening, the engine of the extra which ran into the rear end of the slow freight train was thrown off the track and fell upon the edge of a cliff overlooking the Columbia river. The cliff is about 40 feet in height and the engine was so nicely balanced on the edge that it was doubtful whether it could hang there until the wrecker arrived. It was picked up by the wrecker, however, before it toppled down the bank.

The Newlin Drug Company, ever alert to the best interests of its patrons, and realizing the imperative need of a public telephone station where shoppers can reach a telephone for the local exchange without cost, have at a considerable expense installed a public telephone at their store. Had SANTA CLAUSE been asked to direct a careful buyer in search of Holiday Gifts to a store where appropriate gifts which would be of lasting benefit could be found at prices within reach of those with moderate incomes, he would have certainly said HENRY & CARR, THE HOUSE FURNISHERS, have all that you will require. Do a line of painting work, and I will name the right price.

Nothing is so dear to the heart of the lady of the house as her bed chamber. This sacred room is never quite complete, and therefore an additional piece of dainty furniture is always acceptable. Nowhere in the Inland Empire can such opportunities be found to find desirable holiday gifts especially adapted for the ladies. A visit to the store will result in the selection of some article which has long been needed and which will bring everlasting pleasure and comfort. We have exercised especial care in the selection of the stock for this department, and here can be found Iron Beds whose artistic lines and resplendent tints and colors would have graced the palatial bower of some royal princess. Toilet sets which have been designed by artists equal to the Italian Sculptures, Hangings, which for beauty, richness and luster would have been accorded a place in the home of a Roman Senator. It must not be inferred that all this elegance can only be bought for the price of a King's ransom, for such is not the case, for in this age, all is within the reach of the wage earner, or the man who supports a family upon a small salary.
