 Paris, Dec 19—The court today decided that Madame Gould, formerly Countess Castellane, is freed from all responsibility of her husband's debts except a few minor claims for which she was personally responsible, for furniture and works of art.

CHURCH, STATE AND WOMEN
 The Nevada Mission Congress of the M. E. Church, held recently at Lassenville, Cal. passed a resolution in favor of woman suffrage by a unanimous vote. Bishop Warren of Colorado was in the chair.

"In the great Empire State of the greatest Republic in history, the purest woman is still politically on a level with the vilest criminal and the most driving imbecile."—John Spargo, in December Craftsman.

Six millions of women in this country, according to figures given by the Technical World, are today engaged in gainful occupations. In the open labor market those women compete with men workers; yet only in the four States of Colorado, Idaho, Utah and Wyoming are these women equipped with that most effective weapon of defence, so prized by the workingman—the ballot.

THE FIRST OF ITS KIND.
 The Newlin Drug Company, ever alert to the best interests of its patrons, and realizing the imperative need of a public telephone station where shoppers can reach a telephone for the local exchange without cost, have at a considerable expense installed a public telephone at their store. This telephone is for the use of the public and anyone wishing to use this phone is at liberty to do so without charge. The public is invited to use this phone at any time. Another feature which this enterprising firm has inaugurated, is a stamp department where persons wishing stamps in any quantity or any denomination can find them at no additional cost over the government price. When down town call at the Newlin Drug Company's store and see the splendid holiday display.

Cured of Terrible Cough on Lungs.
 N. Jackson of Danville, Ill., writes: "My daughter had a severe attack of La Grippe and a terrible cough on her lungs. We tried a great many remedies without relief. She tried **Foley's Honey and Tar**, which cured her. She has never been troubled with a cough since."

Consumption Cured.
 Foley & Co., Chicago. Dana, Ind. Gentlemen:—**Foley's Honey and Tar** cured me of Consumption after I had suffered two years and was almost desperate. Three physicians failed to give me any relief and the last one said he could do me no good. I tried almost every medicine I heard tell of without benefit, until **Foley's Honey and Tar** was recommended to me. Its effect right from the start was magical. I improved steadily from the first dose and am now sound and well, and think **Foley's Honey and Tar** is a God-send to people with Throat and Lung Trouble. Yours very truly,
 MRS. MARY AMBROSE.

Nothing is so dear to the heart of the lady of the house as her bed chamber. This sacred room is never quite complete, and therefore an additional piece of dainty furniture is always acceptable. Nowhere in the Inland Empire can such opportunities be found to find desirable holiday gifts especially adapted for the ladies. A visit to the store will result in the selection of some article which has long been needed and which will bring everlasting pleasure and comfort. We have exercised especial care in the selection of the stock for this department, and here can be found Iron Beds whose artistic lines and resplendent tints and colors would have graced the palatial bower of some royal princess. Toilet sets which have been designed by artists equal to the Italian Sculptures, Hangings, which for beauty, richness and luster would have been accorded a place in the home of a Roman Senator. It must not be inferred that all this elegance can only be bought for the price of a King's ransom, for such is not the case, for in this age, all is within the reach of the wage earner, or the man who supports a family upon a small salary.
