

A MERRY CHRISTMAS

Nearly 9 years ago, the present owners of Hills Drug Store came to La Grande. Since then we have enlarged our store three different times to accommodate our increasing business, a business founded on the Rock of square dealing, good goods and reasonable prices.

It has always been the policy of this store to give its patrons the very best for their money; to have satisfied customers is our aim, and so well have we succeeded that we are known as the leading drug store of Union county. By hard work, push and energy we have given the people of Union county one of the most complete and up-to-date drug stocks in Eastern Oregon, and now at this time we have on display a

ALBERTA GALLAMIN CHRISTMAS EVE

AMUSEMENT

CHRISTMAS DATE

Miss Alberta Gallatin, starring in "Dorothy Vernon of Haddon Hall" the play built from Charles Major's book, comes to Stewards' opera house on Monday December 24.

The time of the play dates back to the happy-go-lucky days of the good Queen Bess, and the neighborhood in which the action is supposed to have taken place is that surrounding Haddon Hall, one of the best preserved of the Elizabethan manor houses. The story was dramatized by Paul Kester. The star appears as a wilful and imperious young girl, vibrant between determined self-indulgence and splendid self-abnegation. She is in turn playful and serious, self-centered and self-forgetful, domineering and submissive, and filled with a cunning, altogether without guile, a character which gives Miss Gallatin ample scope for the display of her talents. A strong supporting company is carried.

FASTIDIOUS WOMEN

consider Paxtine Toilet Antiseptic a necessity in the hygienic care of the person and for local treatment of feminine ills. As a wash its cleansing, germicidal, deodorizing and healing qualities are extraordinary. For sale at Druggists. Sample free. Address The R. Faxton Co., Boston, Mass.

What Adam ate, not what he drank. Was he from Eden's garden driven. O, what a difference there, now would be. If he had taken Rocky Mountain Tea. NEWLIN DRUG CO.

A NEW ALLOY

If metallic iron is melted along with copper or brass, it is said that part enters the alloy and becomes chemically combined, and the remainder separates in pellets or nodules of the hardness of steel. These nodules are the source of much trouble in brass, as they injure tools to an alarming extent.
