Commissioner Prouty is of the opinion that the railroads generally will adopt a two cent passenger rate, since the new law has stopped the rebate system.

While there was much said at the Good Roads convention in regard to macadam roads and we may secure a few miles, the fact remains that dirt roads will predominate in this county for many years.

Congress certainly knows where the President stands with reference to his action in dismissing the two colored regiments of soldiers and the way he puts it up certainly leaves little ground for the opposition to rally much force.

This city has as difficult a problem with reference to maintaining good streets as the county has in securing good roads. Both require no small investment to bring about ideal results.

Union county will have the honor of sending the leader of the Democratic forces in the lower house of the legislature, in Representative Herman Rothchild, of North Powder, as he is the only Democratic member in that body. However Mr. Rothchild is a host within himself and he will be heard from.
