

A MERRY CHRISTMAS

Nearly 9 years ago, the present owners of Hills Drug Store came to La Grande. Since then we have enlarged our store three different times to accommodate our increasing business, a business founded on the Rock of square dealing, good goods and reasonable prices.

It has always been the policy of this store to give its patrons the very best for their money; to have satisfied customers is our aim, and so well have we succeeded that we are known as the leading drug store of Union county. By hard work, push and energy we have given the people of Union county one of the most complete and up-to-date drug stocks in Eastern Oregon, and now at this time we have on display a

The name of Ricksecker on a package of perfumes is the same as Sterling on silver. It insures quality. This year we have the exclusive sale of Ricksecker's holiday packages. No where else in La Grande can these goods be purchased. It is worth while to come a long way to see them. They are certainly one of the most beautiful and dainty lines of perfumes that we have ever handled. Beautiful cut glass bottles in handsome cases of satin, silk, plush and silver. The prices vary from the neat little 10c bottle to the large, elaborate packages at \$7.50.

POLITICAL POSSIBILITIES

There is a rumor afloat, that has at least some elements of possibility, to the effect that State School Superintendent J. H. Ackerman is to resign his office to accept the presidency of the State Agricultural College at Corvallis, and should this prove to be true, it is whispered around that Governor Chamberlain will appoint Union county's superintendent, E. E. Bragg, to fill the vacancy, caused by the resignation of Superintendent Ackerman. Time will prove the correctness of these probable possibilities. However should the Governor be placed in a position

where he should be called upon to fill this vacancy, he could select no one who would give better satisfaction than Supt. Bragg.

JIM IS DEAD

"Jim" the well known bird dog was accidentally shot last evening. Wherever there was the smell of powder you would always find him, and consequently he was a constant visitor at the shooting gallery on Depot street. Yesterday, T. B. Johnson was loading a rifle preparatory to shooting when the weapon was accidentally discharged, the bullet hitting the dog which was rumping about in front of the table.

AMUSEMENT

SPECIAL PRICE ATTRACTION

Manager Seward announces that he has arranged to present Alberta Gallatin in "Dorothy Vernon of Haddon Hall" at the reduced price of \$1.00. La Grande is the only town in the State where she has been seen for less than \$1.50. There is no question that Miss Gallatin is one of the strongest actresses to appear at the Steward this season. Remember the date Steward's Opera House Monday Dec 24.

Miss A. M. Scriber went to Salem this morning where she will spend Christmas with her mother.

A BUSY DEPOT

There was a hustle and bustle about the O. R. & N. depot this morning that bordered on the noise and hustle that characterizes a big union depot. Number 1 came in in two sections, and both passed number 5 here. With the double headers of these three trains and tiny number 62 all whistling at the same time, expressmen and baggagemen hurrying to and fro, it "made a noise" like a busy place.

Cured Hemorrhages of the Lungs

A. M. Ake, Wood, Ind., writes: "Several years since my lungs were so badly affected that I had many hemorrhages. I took treatment with several physicians without any benefit. I then started to take FOLEY'S HONEY AND TAR, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble."
