MARRIED

HUFF-SPENCER—At the residence of the bride's parents, Mr. and Mrs. A. E. Huff, of this city, Miss Carrie Huff and Mr. C. B. Spencer were united in the holy bonds of matrimony Dec. 26, in the presence of a select number of friends. Mrs. Spencer is one of the faithful and capable teachers of the public school and will continue in her position to the end of the term. Miss Pearl Huff and Mr. Loren Harris were the next best. Their pre-ents were man- and elegant. Presiding Elder J. D. Gilliam pronounced the beatific words, and Mrs. McCall assisted at the piano.

ST. PETERS' CHURCH TREE

The Episcopal last evening held their Christmas tree exercises in St. Peter's church. Fir and pine branches decorated the walls. Several pretty Christmas songs were sung by the scholars. Candy, nuts and fruit were given to those present.

COUNCIL MAKES TAX LEVY

The city council last evening met and made the tax levy for 1906 of 7 mills for general purposes and 5 mills for special purposes making a total of 12 mills which is expected to raise a revenue of \$12,708 on the assessed valuation of the city which is \$1,059,847. This is three mills higher than last year. We understand that a portion of the increase, if not all, is to be extended in making permanent repairs on the main sewer that goes thru the city.

COURT HOUSE ITEMS

A marriage license was granted yesterday by County Clerk Gilham to L. L. Walker and Miss Amelia Propeck, both of Elgin.

Mrs. M. B. Ames, administratrix for the estate of Geo. W. Ames, deceased, has filed her final account with the county clerk.

During the year 1906, 696 hunting licenses have been granted in Union county.

ADJUDGED INSANE

Lester Victor, a young man of twenty-five years, who suddenly went insane last week, and who has been held in the city in hopes that he might recover, was last evening taken from the county jail and taken to the state asylum by an asylum attendant. For several days it appeared that his mind would return, but at last it was found that it would be useless to keep him here and he was accordingly sent to the insane institution.

We would suggest that while the germ of improvement is floating thru the Union County atmosphere, that a likely place for a few of the said germs to locate, would be at the court house, and endeavor to stimulate the County Court to build a few side walks, plant a lawn and make the grounds surrounding the building look in keeping with the Court house.

During the holiday week, the ordinary routine of business is slow, a fact which insures the officials in the building, an opportunity to compile their reports for the various offices. The year has been a prosperous one for the county and will be shown when the reports are complete.

FASTIDIOUS WOMEN

consider Paxtine Toilet Antiseptic a necessity in the hygienic care of the person and for local treatment of feminine ills. As a wash its cleansing, germicidal, deodorizing and healing qualities are extraordinary. For sale at Druggists. Sample free. Address The R. Paxton Co., Boston, Mass.

COURT HAS ASSUMED JURISDICTION

(Scripps News Association)

Washington, Dec. 27.—Attorney General Bonaparte has received word from Seattle, Washington, that the United States District court has assumed jurisdiction over the whalers in Alaskan waters. Many stories of crimes on seas have been reported. Murders are often committed and criminals go scot free because the territorial courts are powerless because of lack of jurisdiction.
