LA GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPAL.
MRS. DAY, ASSISTANT.

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments; No. 1 is for beginners from 4 years or more and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 5 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.

SPORTS

John Daly, the distance champion of Ireland, who is now resident in New York City, has gone into the Saloon business.

Archibald H. Douglas, the star half back of the Navy team has been elected Captain for the season 1907. He is an all round athlete, being a crack baseball pitcher and possessing great physical strength. He is also president of the class which graduates next season.

Wm. J. Shattisime has been reelected president of the Phila baseball club. Catcher Doblin has signed for 1907 and Jacelitech has signed to help out Doblin back of the bat. Jaohn Nauer, a pitcher who did excellent work amongst the up state clubs last year has also signed.

To put Columbias crews on the river last year cost \$8,804. To meet this the receipts totalled \$8,670.

George Bothner and Denis Gallaher will meet in a \$500 wrestling bout in New York on January 11th.

The Texas baseball league has placed the salary limit at \$1500.

O. A. C. TO PLAY PENDLETON

The Basketball Team of the Oregon Agricultural College will meet the High School quintet on the latter's court on the evening of December 31, New Year's eve. The team is on its annual tour of the Northwest, and will arrive here from Seattle on Monday afternoon. The O. A. C. team was the champion five of Oregon last year having an unbroken record of victories to their credit. Among their contestants were the Chicago Meteors, who made a trip of sixty-three games last season and were defeated in but seven instances, O. A. C. being one of the victors. The same team will meet the local High School Monday, and though the Pendleton team can hardly expect to win, they are determined to play against their lines and make the college men earn what points they make.—Pendleton Tribune.

Young Corbett and Tommy Murphy have signed articles for a six round contest at the National A. C. Club Philadelphia on Jan. 9. They are to divide 70 per cent of the gate receipts. Both are in excellent condition and the contest should be a good one.

Battling Nelson is going to Europe where he will join his trainer Billy Nolan. He will be accompanied by his father whom he intends to start in business in Copenhagen his native place. It is not improbable that Nelson will do some exhibition work in the big English cities.

Another fighter has been "bust". Joe Grim told a magistrate in Pittsburg the other day that he was scooped of \$150 in a poker game and was clean broke.

A testimonial will be given to Terry McGovern, who has gone insane in Madison Square Garden, New York on January 23rd. All the leading boxers will appear at the benefit in addition to many actors and professional entertainers.
