A GRANDE SCHOOL OF MUSIC

PROF. DAY, PRINCIPAL
MRS. DAY, ASSISTANT.

This is one of the best musical institutions in the state, and that people in this city and valley are beginning to discover the advantage of this school. The system is the latest and most practical, and includes all the latest discoveries in the art of teaching music. The school is divided into two departments: No. 1 is for beginners from 5 years of age and are taught the first three grades. Pupils come one hour each day. This is no kindergarten system but far superior. In No. 2 the grades are from 5 to 15. Here they graduate. Pupils take one or two lessons a week as they desire. No scholars will be permitted to remain in this school who do not study.

A GOOD PRECEDENT

At the last term of county court J. N. Smith of Alice appeared and asked that certain warrant drawn in his favor be canceled. Mr. Smith gave as a reason for this action that while the warrant was legally drawn, and according to law he did not wish to accept it because he did not feel that he had earned the money. It seems that Mr. Smith had been summoned to appear before the circuit court and had only been in the court room a few moments, and therefore did not feel that he could with justice to himself draw pay for the day and mileage. The court did as requested.
This is certainly a new departure and Mr. Smith is to be congratulated upon being the first to set an example of honesty which should be followed by others who at times receive warrants for which they gave the county little or nothing in return.
