## RUSSIAN REVOLUTIONIST IN EAST SIDE NEW YORK

(Scripps News Association)

Pittsburg, Pa. Jan. 5—It is now estimated that as much as \$100,000,000 will be required for the construction of the Pittsburg and Erie Canal. The plan includes the deepening of the Ohio river to the mouth of the Beaver, the deepening of the Beaver River to the Mahoning river and finally a canal across the divide in Jefferson County Ohio and a series of dams and locks down to the level of Lake Erie. It is planned to make the canal deep enough to admit to the harbor here, at the junction of the Monogahela and Allegheny rivers, and the Ohio, any craft that sails the Great Lakes, for the purpose of discharging here shipments of iron ore and other commodities from the Lake country. The ships will receive coal, iron and steel here, for delivery at Lake Ports, or even for foreign shipments by way of the Welland Canal. Sometime it is expected, navigation will proceed from the canal, down the Ohio river to the Mississippi and the Gulf of Mexico. Offers for a large amount of the stock and bond issues have been made but as the promoters that control was sought for prominent corporations they were refused as it is for the public interest that the canal should be free from railroad domination against which it was proposed to operate.

New York, Jan. 5—Gregory Gershuny the Russian revolutionist addressed a mass meeting of Russians in the east side last night after which a sum of over \$5,000 was collected for the revolutionary cause in Russia. Gershuny escaped from a Siberian prison by con-

cealing himself in a sauerkraut barrel. In his speech he pictured the condition of Russia and the cruel treatment of prisoners in Siberia numbers of whom he saw tied to stakes and fished. Gershuny will address meeting in furtherance of the Russian revolutionary cause in all the large cities in the eastern states.

### TRAINED NURSE

WRITES A LETTER TO THE PEOPLE

"To Whom It May Concern: I am a trained nurse of nine year's experience in hospitals and private cases" and for the benefit of the people of La Grande I wish you would publish my experience with the cod liver oil preparation called Vinol.

"I was completely prostrated from overwork. I had no appetite, could not sleep, my kidneys, liver and bowels inactive, and as I grew weaker I could not retain either medicine or food on my stomach, and raised blood. The doctors said my condition was critical and I would probably die.

"As I had seen Vinol prescribed for my patients with such remarkable results, I decided to try it myself. After the first bottle I began to improve. I continued its use, and soon began to sleep and eat well; every organ in my body was strengthened and became normal, until it seemed good to be alive and I was restored to perfect health and strength.

"I believe Vinol is the most potent and delicious cod liver oil preparation and tonic rebuilder in the world, and it is such a blessing to be able to take into the system all the body building and medicinal elements of cod liver oil without the nauseating, greasy oil itself.

"I advise all my patients who need strength, rich, red blood, and flesh tissue to take Vinol, as it is far superior to old-fashioned cod liver emulsions, or any other tonics." Elizabeth M. Cremond, Trained Nurse, Boston, Mass.

In La Grande we sell Vinol on a positive guarantee to refund money if it fails Newlin Drug Co.

Note—While we are sole agents for Vinol in La Grande, it is now for sale, at the leading drug store in nearly every town and city in the country. Look for Vinol agency in your town.
