

# "Happy Week"

Everybody in the store today was smiling

## "Happy Week" is rightly Named

Is "Happy Week" to be the most unusually successfully and enjoyable event ever known in merchandising circles in this city

Just ask any friend of ours who has spent an hour or two with us today.

No matter what you want—in good—timely, modish merchandise—you'll find it here, priced so remarkably, and agreeably that while you buy just exactly what you want—what you need and must buy **Somewhere** at once—you'll thoroughly enjoy paying the tiny sum. You'll smile all the time you're here—the spirit of good nature that will be everywhere throughout the store, will act as a veritable tonic to puzzled, blue, or discouraged people, but at the same time, apart from the smiling side of the occasion there's an intensely practical and helpful side to the sale-- and there is not one woman or man who can afford not to come to this store during "Happy Week."
