FINE STEEL RANGES

If you are going to buy a steel range, come and examine our celebrated Majestic range. It is surprising at the small amount of fuel they consume and give perfect satisfaction. I also have a few heaters left. This is the time when you need them

Do not forget about carriage heaters. They will keep your feet warm on a long drive.

SPECIAL MEETINGS

The special meetings at the Presbyterian church are growing in interest. Dr. Seemann preached a splendid sermon last night, taking his text from John 14th chapter and 8th vs. His theme was "Our Conception of God." He showed that it was our conception of God that determines our conduct and the type of our religious life. He varied this truth by the various theories that men have held of God in the different ages. Continuing, the speaker spoke of the many ways that God had revealed Himself to the world and how we can know Him. He closed by pointing out how God was seeking men and calling

them to come to Him. Mr. C. E. Cochran won all hearts by r in our town last week.

Lulu Fowler is now suffering from an For Me", which had a tender influence on the meeting.

Dr. Seemann will speak tonight on "The months in Colfax, Washington, returned Power of Love." All are invited to come and bring their friends.
