There is no case on record of a cold resulting in Pneumonia, or other serious lung trouble, after Foley's Honey and Tar had been taken.

It will cure the most obstinate racking cough, and heals and strengthens the lungs.

Foley's Honey and Tar has cured many cases of incipient Consumption and even in the last stages will always give comfort and relief.

Foley's Honey and Tar gives quick relief to Asthma sufferers, as it relieves the difficult breathing at once.

Remember the name—Foley's Honey and Tar—and refuse substitutes that cost you the same as the genuine. Do not take chances with some unknown preparation.

Contains no opiates.

Cured of Terrible Cough on Lungs.

N. Jackson of Danville, Ill., writes: "My daughter had a severe attack of La Grippe and a terrible cough on her lungs. We tried a great many remedies without relief. She tried Foley's Honey and Tar, which cured her. She has never been troubled with a cough since."

Consumption Cured.

Foley & Co., Chicago, Dana, Ind. Gentlemen:—Foley's Honey and Tar cured me of Consumption after I had suffered two years and was almost desperate. Three physicians failed to give me any relief and the last one said he could do me no good. I tried almost every medicine I heard tell of without benefit, until Foley's Honey and Tar was recommended to me. Its effect right from the start was magical. I improved steadily from the first dose and am now sound and well, and think Foley's Honey and Tar is a God-send to people with Throat and Lung Trouble. Yours very truly,
MRS. MARY AMBROSE.

Three sizes—25c, 50c, \$1.00.

The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.
