## JAPANESE OVERRUNNING OLD MEXICO

(Scripps News Association)  
Mayathan, Mexico, Jan. 19—Six hundred Japanese arrived here today on the Hokau, Maru. The total landed here in six months amounts to 3186 but few remain in the county as they gradually make their way north and enter the United States. The Mexican government has given them free transportation from Japan in order to get them to work on important industries hampered greatly owing to the lack of labor but for some reason or other, although pay is good and condition of life better than that in Japan they quit at the earliest opportunity and make for the United States. It is calculated that considerably over 2000 of them have entered the latter country during the past twelve months.

### SECURING NAMES OF ADAMS CITIZENS

OR & N officials are now securing the names of Adams citizens who forcibly took possession of a carload of coal belonging to Eugene Tausell of Walla Walla on Tuesday evening. As the coal will be sold under direction of the mayor and the money received for it forwarded to the coal dealer at Walla Walla, there is no probability of any criminal proceedings growing out of the matter. Like cases in Washington have not been prosecuted and it is thought the matter will be dropped in this case.
