ROGERS-GRILLEY RECITAL

Lovers of high grade entertainment have something fine offered in the recital to be given in Central Church next Saturday evening.

The program is not only entertaining it is artistic. It elevates and one feels better after hearing. Mr. Rogers who handles the harp is a musical composer as well as a master of his noble instrument. Mr. Grilley the elocutionist is also a song writer.

Such talent should appeal to those who really know and appreciate excellent things. We anticipate a large attendance. Tickets at Selders, only 50 cents, school children 25 cents.

MILITARY DANCE

The second of a series of dances under the auspices of Company L. was progressing nicely last evening, when some individual, with an eye for a joke, that was bigger by far, than his sense of common decency and gentlemanliness, covered the floor with red pepper. The result was that dancers and spectators were subjected to extreme unpleasantness and even pain. The company officials were naturally indignant over the fact that anyone should stoop to commit an act so small and mean. They have offered a reward of ten dollars for the apprehension of the individual who ever it may be.

SKATING RINK DANCE

There will be a dance at the skating rink Wednesday evening. Skating will be discontinued at 9:30 when the dancing will begin. Admission, dancers 50 cents, skates 25 cents, Dancing and skating 50 cents.

TWENTY ROUND GO

In the manly arts of self defense, to show how battles are lost and won. So reads the agreements that have been drawn and signed by Jack Darnell of La Grande and Kid Moleno, of Portland. Reliable parties have posted forfeitures with other reliable persons and the sum is large enough to warrant the event, being pulled off on February 18, as the agreement specifies. Full announcements will follow.

HURRY TO CLASSES

Professor of Athletics, C M Christol wishes to announce that his pupils must be as prompt as possible in taking their lessons as he contemplates on leaving La Grande on March first. He does not desire, or will not leave a lesson half done and for this reason urges all to be prompt in coming to the club for their instructions. There is still time for new pupils to come in and all who wish can do so.
