A JAIL MYSTERY IN BAKER

Following a long string of mysterious murders in Baker county, comes the following announcement in the Baker City Herald:

"Another mystery came to light this morning when Deputy Sheriff Ike McCord discovered a broken hack-saw and a three cornered file concealed in the inside corridor of the county jail. There is every evidence that a plot for a jail delivery has been blocked and the authorities are now working on the case in an attempt to discover the manner in which the implements were carried into the bastle.

The fact that Alex Widdowson and Sam White, the former hotel clerk who is convicted of larceny, are the only inmates of the jail at this time leads some to the theory that Widdowson is implicated but on the other hand it is held that in all probability Henry Miles, the horse thief and desperado, who was recently taken to Malheur county to stand trial for horse stealing, had planned to evade another seizure of punishment."
