If you are going to buy a steel range, come and examine our celebrated Majestic range. It is surprising at the small amount of fuel they consume and give perfect satisfaction. I also have a few heaters left. This is the time when you need them

Do not forget about carriage heaters. They will keep your feet warm on a long drive.

While E. Polack has not yet found a location wherein to continue the City Grocery's business, he will never the less stay on his business even if he has to locate in temporary quarters until some desirable piece of land is found where he can open permanently. **SOCIETY**

The Ladies' Missionary Society of the Presbyterian church met at the home of Mrs. J. E. Conners, Jan. 25.

The program was under the direction of Mrs. F. B. Currey. Mrs. J. K. Wright talked of "Americans in Process." Mrs. E. B. Hays followed with "Problems of the Immigrant." Mrs. Wellman's subject was "The Commissioner's Point of View." Mrs. J. T. Richardson's was "Italian Immigrants."

"A million a year of hungry, homeless, liberty-dreaming people! A million a year of souls keyed to high hopes, or ready to snap in despair.

"The various religious and philanthropic organizations of the land have not only a great duty to perform, but have a splendid opportunity thrust upon them. To preserve this land as far as practicable and possible for the fit, the deserving, the ambitious, the helpful, is a work worthy of the closest attention of the law making body at Washington.

"If we do not see that the immigrant and the children of the immigrant are raised up, most assuredly the result will be that our children and children's children are pulled down."
