

KITTY GIRLS IN SERGEANT KITTY

**AMUSEMENT**

**SERGEANT KITTY**

Pretty music, clever comedy, picture-characters and splendid equipment of "Sergeant Kitty" the brightest and most original comic opera to be seen here this season. Helen Byron is a dainty and coquettish charmer that leaves no heart in her audience unwon. The comedians, James McFhearn and Tom Hadaway keep everyone bubbling with mirth for three all too short hours. This dashing little military opera concerns the comic side of French Army Life and involves the love affairs of three couples introducing the scheme of a winsome, headstrong girl who loves an officer and is determined to have her way despite the opposition of an equally headstrong aunt who has a love affair of her own to manage. A couple, already married in secret, are drawn into the resulting trouble, and there is a merry comedy of errors that all ends happily. Every character in the cast is in competent hands we are promised, and the general ensemble is at Stewards Opera House Saturday Feb. 2.

**TOMORROW NIGHT**

Tomorrow night, and La Grande will be listening to the Polmatier concert. There is no necessity of lauding the qualities of these sisters, for they have demonstrated wherever they have appeared, that their musical renditions are a treat.

Tickets are now on sale at the Red Cross Drug Store. The concert will be fifty cents and those desiring to dance afterwards, can do so by paying an additional fifty cents. A six piece ladies' orchestra will furnish the music for dancing from ten until one o'clock. The concert begins promptly at eight o'clock and ends at ten. Doors will be open at seven-thirty.

The following telegram was received here today from Boise, Idaho, where the sisters appeared Wednesday: Commercial Club, La Grande, Ore.

Polmatier sisters more than met expectations. Their work was most artistic.

E. M. Wengate, Exalted Ruler Elks.

**DANCE SUCCESSFUL**

The mid-week dancing and skating party at the Noyes rink drew a large crowd last evening.

**LADD CANYON ITEMS**

Mud, mud, mud! Will we get any more mud? Well, we can't have very much more.
