both sides, but you are the ones to decide whether or not Harry K. Thaw was insane when he killed Stanford White. In 1901 Thaw met Evelyn Nesbit and loved her with as true a love as any one ever loved. In March 1903 he went to the girl's mother and asked for her hand in marriage.

At that time Evelyn underwent a severe operation and was forced to go to Europe. On her return Thaw asked her to marry him. Her reasons for refusal she will tell you. The reasons she will show you. The reasons she will give will show future mental aberration of the man. From the moment of refusal, an idea became fixed in the man's mind which terminated in White's death. It was under the influence of that idea that he carried a revolver from 1904 on. We will show that when he saw White glowering at him on the roof of the garden, he became convinced that providence was directing him to act, and he acted.

The man who is fighting for Thaw's life said that he would show how Thaw had been harassed and persecuted by White for three years. He affirmed that when the facts became known, the jury would certainly consider the act, if not that of an insane man, then not an act of crime. Gleason discussed insanity and how it is generally determined. "Two things make one insane," he said. "Heredit and stress. We will show both in this case. That insanity exists in this man's family and that he was under great mental stress at the time insanity developed."

**A PROMINENT EDUCATOR**  
 Declares Vinol is the Best Cod Liver Preparation.

There has been a good deal of discussion in Fall River regarding the merits of cod liver oil preparations, and whether or not cod liver oil and analogues, that upset the stomach have any medicinal virtues; therefore, the following letter from M. A. Cassidy, superintendent of schools, Lexington, Ky., will be read with interest: "I am pleased to state that after having used and tested the different cod liver oil preparations on the market, I find Vinol to be far superior to them all. "Vinol built up my system, strengthened my nerves and made a new man of me, and I heartily endorse it as the most efficacious and agreeable cod liver oil preparation on the market."

Mr. Newlin of the Newlin Drug Co. when asked his opinion in regard to Vinol replied: "We have never sold anything in our store better than Vinol to create strength, cure stomach troubles, chronic coughs, colds, bronchitis and incipient consumption, or to make growing children robust and give strength and vigor to the aged."

"It is for this reason that we offer to return money in every case where it fails," Newlin Drug Co.

Note—While we are sole agents for Vinol in La Grande, it is now for sale at the leading drug store in nearly every town and city in the country. Ask for the Vinol agency in your town.
