HOW TO AVOID PNEUMONIA  
We have never heard of a single instance of a cold resulting in pneumonia or other lung trouble when Foley's Honey and Tar has been taken. It not only stops the cough but heals and strengthens the lungs. Ask for Foley's Honey and Tar and refuse any substitute offered. Dr. C. J. Bishop of Agnew, Mich., writes: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case."

## La Grande vs. Baker City on the Latter's Court Today

There will be a royal battle on the Baker City basket ball court this evening when the girls' team of this city clashes with the strong team from Baker. The team and substitutes, chaperoned by their coach, Miss Barber, left today for Baker. Many will remember the last game between the teams of these two schools, as played in La Grande last year. By the score of five to four the Baker team was defeated after an additional half hour of playing. However, the coach and player's of this year's team are pessimistic over the outcome of today's game. The Baker aggregation is a strong one and has a long string of victories, while the La Grande team has had but one try-out game this year. The team will return tomorrow evening. Following are the line-ups for the two teams:

La Grande: Beatrice Green, captain, and Hattie McMurray, forwards; Lillian Baker, center; Viola Snell and Alberta Hopper, guards. Substitutes, Jessie Green and Ethel McKennon.

Baker City: Iva Swan and Emma Clifford, forwards; Hazel Panting, center; Emma Waterman and Mabel Wisdom, guards.

Following is what the Baker Herald says of the coming game:

After their glorious victory over the fast team from Boise the members of the Baker High basket ball team are going in to their contest with La Grande Friday night with the determination that their record shall remain unblemished. Never in the history of local basket ball has a visiting team won a victory on the home court and the local girls are determined that it shall be ever thus.

There is no danger of the local team becoming over confident before going into the game with La Grande. Miss Thompson, who has coached the Baker teams for a number of years, has installed realization of danger of over confidence into the local players and they are never sure of a game until the last whistle blows.

It is expected that the game tomorrow night to be played in the armory hall will be one of the fastest contests of the season. The game with Boise last week was fully as good as a game as any ever played here and it is believed that the coming contest will equal if it does not surpass that one.

## STANDARD MOVES TO QUASH

(Scripps News Association)  
Findlay, O., Feb. 15.—Motions to quash the indictments recently found against the Standard Oil Company, John D. Rockefeller, the Buckeye Pipe Line, the Ohio Oil Company and the Solar O. I. Company are being held today. It is maintained that the indictments are indefinite and are not made with sufficient certainty to enable the attorneys to properly prepare a defense, and that the indictments are in a single count, while several offenses are charged. The motions are at hearing.

## S.S.S. PURELY VEGETABLE

Not only is a medicine valuable for its ability to cure disease, but the way in which it affects the system is a very important factor. When the system is infected with the germs of disease as in Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison, etc., every particle of its recuperative strength is needed to assist in eliminating the poisons and impurities which are causing the trouble. It should not be dosed and treated with strong mineral mixtures and concoctions that further add to the burden, by disagreeably affecting the bowels, producing indigestion, or eating out the delicate linings and membranes of the stomach. The absolute vegetable purity of S. S. S. has always been one of the strongest points in its favor, and is one of the principal reasons for its being now the most widely known and universally used blood medicine on the market. It is made entirely of healing, purifying roots, herbs and barks of the forests and fields. These are selected for their well known curative properties and are known at the same time to possess the qualities to build up and strengthen every part of the system by their fine tonic effect. Not only is S. S. S. the king of blood purifiers, but it is the one medicine that may be taken with absolute safety by young or old. We guarantee it non-injurious and offer a reward \$1,000 for proof that it contains a particle of mineral in any form. S. S. S. is a safe and reliable treatment for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison, and any and all diseases arising from a poisoned or impure state of the blood. It goes to the very bottom of these troubles, removes every trace of disease, enriches and builds up the blood and permanently cures where mineral medicines fail. If you are suffering with any form of blood disease write for our book on The Blood and ask for any medical advice you may desire: no charge for either.
