NEWS FORECAST FOR THE COMING WEEK

(Scripps News Association)
Washington, D. C., Feb. 15—The coming week in Congress and, in fact, all the remainder of the session will probably be devoted almost exclusively to the appropriation bills. Leaders in both branches now realize that there will be little if any time to devote to the consideration of general legislation. It was said at the beginning of the session that the Republican programme was to pass the appropriation bills and let all else go by the board and it looks now as though this programme will be carried out pretty faithfully. The probability is that such general legislation as gets through between now and March 4 will be attached to appropriation bills at the last minute.

A large party of representatives of the commercial clubs of Boston, Cincinnati, Chicago and St. Louis is scheduled to sail from New York next Monday for Panama to inspect the isthmian canal.

Interest in the municipal elections to be held throughout Pennsylvania next Tuesday centers in the contest in Philadelphia, where the issues are practically the same as marked the memorable election a year ago. Congressman John E. Reuburn, the candidate of the Republican Organization, is opposed for mayor by William Potter, representing the City party, and William C. Bennett, the Democratic standard bearer.

Tuesday is the day set for argument in

St. Louis in the suit of the State of Missouri to oust the Standard, Republic and Waters-Pierce Oil companies.

The Senate will finally dispose of the Reed Smoot case on Wednesday when it will take a vote to decide whether the Utah senator shall retain his seat. It is the general opinion here that the vote will be favorable to Senator Smoot.

At New York next Thursday the interstate commerce commission will resume its investigation into the financial methods of the Harriman corporations. E. H. Harriman, Jacob L. Schiff, William Rockefeller and probably H. H. Rogers and H. C. Frick are expected to appear as witnesses.

The Democratic primaries to pick a candidate for mayor of Chicago will be held Thursday, followed by the convention on Saturday. A heated contest is on between Mayor Dunne, who is a candidate for re-election, and former Mayor Carter Harrison.

President Roosevelt, accompanied by Mrs. Roosevelt, will leave Washington Friday night for a two days' visit with Theodore Roosevelt, Jr., at Harvard University. The visit, it is announced, will be purely of a private character.

Former President Grover Cleveland will go to Chicago the last of the week to deliver an oration at the Washington birthday banquet of the Union League club of that city.

FROM COUNTY EXCHANGES

(Union Republican)
R. H. Brown and George Benson have been down in Malheur county this week, looking up oil lands. The Malheur company may start boring soon.

Aaron Shanks, for seven years a resident of Union, left Thursday for Marshfield, Oregon, where he goes to make his home. Many friends, sorry to lose him from a long us, wish him success in his new home.

Walter Swackhammer has bought the Dobbs dairy outfit and will take possession on the first of March. He will use the big barn on the Swackhammer place for his stock, and will range the herd on the Swackhammer tract.

(Union Scout)
T. J. Jones starts this week for southern Nevada where he will engage in mining. The kindly wishes of many Union friends go with him.

J. W. Lloyd has disposed of his interest in the Lloyd Lumber Company to J. L. Jacobs. The new company will continue the business on a larger scale than ever before.

(Elgin Recorder)
Mrs. Jackson Graham is still lying at the point of death, in which condition she has been for several days.

Miss Mattie Halgarth, who underwent an operation in a Pendleton hospital several days ago for appendicitis, returned home Wednesday.

J. T. Galloway has rented his Gordon creek farm to Ray Shelton of Alicel, for a period of three years. Mr. Shelton purchased the farming implements from Mr. Galloway and a number of hogs.

Word was received from Portland this week to the effect that Clay Rhehart, a young business man of this city, had successfully withstood the operation for appendicitis and would be able to return home in a few days, much to the gratification of his many friends.

CONTRACTOR DANGEROUSLY HURT

C. E. Lun, of the firm of Anderson & Lun, railroad contractors at camp No. 5 in Wallowa canyon, was dangerously if not fatally injured Wednesday evening. He was struck on the head by a loose rock from the hillside. The skull was crushed, and while the injured man was still alive at last accounts, the doctor attending him considered that recovery was hardly possible.—Wallowa Chieftain.

AMUSEMENT

"HUMAN HEARTS"
If there is any virtue in newspaper commendation, and if the endorsement of the public at large, for the past ten years to be taken as a criterion, then "Human Hearts" which will be presented at Steward's opera house Wednesday Feb. 20, is certainly entitled to take rank as the "Great American Drama."

During the many years that "Human Hearts" has been presented in this country, the praise accorded it by newspaper critics and the general public has been universal. There have been no dissenting voices; the verdict of approval has been unanimous. Even rival Managers have graciously acknowledged that "Human Hearts" is a mighty good play.

FENCING EXHIBITION
One of the attractions at the athletic exhibition in the opera house Monday evening, will be a fencing contest between Prof. Christol and George S. Bernie. The latter has been a pupil of the professor in the art of fencing, and has mastered many difficult feats. A purse has been posted for the winner. The fact that Bernie has been a student with Christol will not be deteriorate the contest in the east and the purse will be hotly contested for by the two combatants.

TRAINING ABOUT ENDED
Kid Molenox and Jack Darnell, with the battle royal but two days away, are paying every addition to their physical conditions. Both are reported to be in the pink of condition. When Monday night comes there will be a great exhibition.

Seats now on sale at Van Buren's. Exhibition begins at eight-thirty.

THIS DATE IN HISTORY

(Scripps News Association)
Feb. 16.

1796—Amboyna seized by the English.
1854—Lionel Lukin, inventor of the life-boat, died.
