Senator Fulton in favor of Taft for president, has tied up with a big brainy man. It is quite a while until the national nominating convention selects the man, but at this distance the majority of the people would pick on either Taft or Hughes.

A "Market day" is one of the things that a number of business men in Pendleton are trying to have established. It was tried there a few years ago, but for some cause or another did not continue.

Send a package of this mild, spring-like weather to your friends in the east and ask them if they can duplicate it and if they cannot, you might suggest that they arrange their affairs to come out next spring when the homeseekers' rates are effective.

Said About Advertising.

A good advertisement sells goods today and makes a good reputation for tomorrow.—Seth Brown.

A hint to advertisers—the maker of umbrellas does not close his factory because the sun is shining.—Exchange.

There are at least two ways of getting rich quick. One is by inheriting. The other is by advertising in the newspapers.—Exchange.

Don't advertise if you think you are wasting your money. Let your competitor waste his money on advertising, and perhaps in this way you can put him out of business. Fix his clock-work for him. Just stand back and laugh at him when you see him squandering his money for printer's ink.—Exchange.

Should Settle Down.

Tacoma, Dec. 31.—To have worked his way around the world and "hobbed it" from New York to San Francisco and then come to Tacoma is the remarkable record of William Bierdorff, a diminutive 13-year-old orphan whose parents were once people of comfortable means residing in Centralia.

Bierdorff applied at the police station the other night for lodging. He was shivering with cold and looked hungry. He told Police Captain Olson about his parents' death three years ago and about his wanderings since that time. He went to Australia on a windjammer and returned on the steamship Germania, landing in San Francisco a few weeks ago. He went broke in San Francisco and rode the brake-rods to Tacoma.

Not a word of complaint passed the grumpy little fellow's lips and when he was offered money for a supper he said, with evident effort, "Oh, that's all right. I'll just wait till morning. I won't be hungry after I get to sleep and then in the morning I will be able to turn my breakfast."

Cured of Lung Trouble.

"It is now 11 years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Ershaw, S. C. "I had run down in weight to 125 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months, when my cough and lung trouble were entirely gone and I was restored to my normal weight, 170 pounds." Thousands of persons are healed every year. Guaranteed at Newlin Drug Co.'s drug store, 50c and \$1. Trial bottle free.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc. If you have any signs of Kidney or Bladder trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."
