YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out. The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

THAT PICNIC HAMPER

Should always contain a bottle or two of our pure and sparkling BEER

No matter what your "solids" are, you'll be right in the liquid part of your refreshment if our Beer nestles in your basket when you start out. There will be no fear of its "going flat," it won't get a chance after you have sampled its exquisite flavor. Try a sample box even before your picnic, then you'll know the right kind to take.

LOOKING AT EYE-GLASSES
from the wearer's point of view, there is not much discrimination shown in buying. The trouble is that too few who need them take the trouble of going to a regular optician to have their eyes examined and find out the best kind of glasses to wear. We examine eyes free of charge, and also give our expert advice free. We adjust the right lenses to the eye, so as to give perfect vision to those who are suffering from defective sight.
