

DO NOT KNOW WHAT CAUSES SICKNESS

Modern People Have Many Names for Same Diseases, According to New Belief.

Does human health depend on one organ alone? This question is becoming widely discussed since L. T. Cooper first advanced his theory that the stomach is the true seat of life and all health dependent upon it.

Mr. Cooper, who has met with remarkable success in the sale of his new medicine, believes that the stomach is responsible for most sickness, and that this organ is weak in the present generation. While discussing this theory recently, he said: "I am asked time and again to tell why my medicine has made such a record wherever I have introduced it. My answer always is, 'because it restores the stomach to a normal condition.' No one will deny that today there are more half-sick men and women than ever before. Nothing critical seems to be the matter with them. They are just half-sick most of the time. They don't know really what is the matter with them. I have talked with thousands during the past two years, and few knew indeed what their trouble was. One said nervousness, another said kidney trouble, another liver complaint, some constipation, or heart trouble, or lung trouble. Many had treated, as they called it, for most of these diseases at different times. A very common complaint is 'all run down,' or 'tired all the time,' or 'no appetite.'"

"I know positively that every bit of this chronic ill health is caused by stomach trouble, and nothing else. My New Discovery puts the stomach in sound condition in about six weeks. Mighty few people can be sick with a

sound digestion. That is why my medicine is selling at such a tremendous rate. I have convinced many thousands of people that these things are so, and the number is growing by leaps and bounds."

Among more recent converts to Mr. Cooper's beliefs is Mr. Edgar L. Hinds, living at 6 Tappan Street, Everett, Mass. Mr. Hinds has this to say on the subject:

"I have suffered with stomach trouble for eight years. I was not sick enough to be in bed, but just felt bad all the time. My greatest trouble was that I always felt tired, would get up in the morning feeling as tired as when I went to bed."

"I had a very irregular appetite, and was troubled with dizzy spells. If I stood for any length of time, I would have a dull pain in the lower part of my back. I was nervous and felt all the time as though something terrible was going to happen. I tried many kinds of medicine, but nothing ever helped me."

"I had about given up all hope of ever being in good health again, when I heard so much of Cooper and decided to try his medicine. I took one bottle of his New Discovery and was greatly surprised at the result. I gained 12 pounds in a few weeks. I can now eat anything I wish, and feel like a new man. I cheerfully recommend this medicine to all sufferers from stomach trouble."

It is worth anyone's time, who is not enjoying good health, to learn of Mr. Cooper's wonderful preparations. We are selling them in large quantities.

LOCAL OPTION ELECTION.

Temperance Leaders Are Certain the County Has Gone "Dry."

Kirkville, Mo., Jan. 7.—After an active campaign which has been carried on for several weeks by the temperance people, a local option election was held in Adair county today. It is considered certain that the county has been voted "dry." This city is already "dry," as the result of a local option election held last month. A general sentiment in favor of prohibition is spreading throughout Missouri, and the victorious temperance leaders here declare that within a short time the entire state will be "dry," with the exception of three or four large cities.

CORN-POULTRY SHOW.

Object to Improve Poultry Culture in Ohio.

Washington, C. H., O., Jan. 7.—The Ohio State Poultry and Corn show, organized at a meeting held here a year ago, opened its first annual exhibition today with the finest display of fine fowls and corn ever seen in the state. The object of the organization is the improvement of poultry culture and corn raising, and prominent agriculturists in all sections of the state are included among the exhibitors and members. The show will last through the week.

In Memoriam.

In loving remembrance of Miss Margaret Louisa Gasset, daughter of J. M. Gasset, of Lower Cove, was born in Cedar county, Missouri, October 22, 1874, and died January 3, 1908, aged 33 years, 2 months and 12 days. Miss Gasset leaves to mourn her loss, a father, six brothers and one sister: W. B., L. A., G. L., C. H., B. W. and F. F. Gasset, and Mrs. Sylvia Martin of Pine valley. The family was all present at her bedside, except her brother, B. W. Gasset, who is in the Philippine islands. Miss Gasset's mother died in 1887 and left Mr. Gasset with a large family, though Miss Gasset was only 13 years old, she took charge of the family and raised the children to manhood and womanhood and ever since has been her father's housekeeper and in her loss the family has parted with the main spoke in the family wheel. The funeral services were conducted at Hardacre school house Sunday, at 12 o'clock, by Rev. Robinson of Cove, after which her remains were laid to rest in the Wright cemetery. She was followed to her last resting place by a large concourse of mourning friends, as all who knew her were her friends and we extend our sympathy to her bereaved family. She is laid to rest, God bless her.

FRIEND.

HELP THE SCHOOL.

While we realize that we as a community are organized to death, there are not one-half enough nights in the week to give us an opportunity to attend even a few of the social and business meetings that most of us would like to, however, on next Thursday evening we are given an opportunity to not only enjoy a first-class entertainment, but to financially aid our public school. We desire further to say that Professor Hockenberry was fortunate in securing most advantageous terms. As a rule, or at least frequently, traveling affairs of this kind generally get all of the money, but this does not apply in the present case. This is an opportunity of aiding the school, at the same time witnessing one of the best concert companies on the road. Buy your tickets early and secure your seats.

Not a Candidate.

Pendleton, Jan. 7.—Col. J. H. Raley, whose name has been mentioned as a candidate for congress on the democratic ticket, stated today that he would not be a candidate.
