THAT PICNIC HAMPER

Should always contain a bottle or two of our pure and sparkling BEER
No matter what your "sheds" are, you'll be right in the liquid part of

your refreshment if our Beer nestles in your basket when you start out. There will be no fear of its "going flat." It won't get a chance after you have sampled its exquisite flavor. Try a sample box before your picnic, then you'll know the right kind to take.

YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out.

The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.
