The Great Success.

The greatest success achieved in the last decade by any "Uncle Tom's Cabin" company is that won by Stetson's, which plays on Monday, January 13, at the Steward. Of all the dramatic successes known, there are none that equal this great play. It is established in popular favor here as well as everywhere else, and needs no endorsement from other cities. It is sufficient to say that it will be presented by an excellent company of 50 persons and with new and elaborate scenery gotten up for this season's tour. A grand street parade will be given at noon on the day it shows.
