

# COUNTY EXCHANGES

(Union Republican.)

W. W. Randall was over from La Grande Tuesday of this week.

Mrs. Mary Seamans made proof on her timber claim before the United States land office at La Grande Wednesday of this week.

The high school debating class is preparing to meet the Baker team in about a month. The contest will take place at Baker.

It begins to look like there will be no agitation for the division of Union county this spring. The time for securing signers for a petition has about elapsed.

Miss Mae Hursh is improving from the effects of her recent severe illness, and her sister, Mrs. George South returned to Medical Springs Monday.

Dr. Law has installed a new road-light of modern design on the pole to his bureau. The light is supplied with gas from a generator in the vehicle, and reaches the lamp by a rubber tube.

The dog poisoner has been abroad at Union during the past week, and quite a number of canines, some valuable, some not, are now in the great beyond. Dog owners are naturally not taking kindly to the party who put out the poison.

(Union Scout.)

William Reavis of Hood River, was in Union Thursday with petitions for county division. After placing his petitions in good hands Mr. Reavis went to Cove on the afternoon train and left at night for Baker City.

Elmer Wright arrived home Sunday from eastern Kansas, where he succeeded in disposing of all the apples he had shipped there. Elmer says there is a good market for apples if they can be bought at what they are worth.

(Elgin Reorder.)

Ray Norval was down from Willow creek Wednesday. On Tuesday he shipped a carload of baled hay from the Rinehart spur to Portland parties. The hay was purchased from A. R. Hill, a well known rancher of the Willow creek section.

Eugene McCall and John Hawthorne were down from Wade & Robinson's mill Saturday evening. Logging operations are being carried on at the mill with good success and at the present time 800,000 feet of logs have been hauled to the yards.

Mr. and Mrs. Charles Hug arrived from Wallowa Wednesday evening and are visiting relatives in this city. Mr. Hug will leave in a few days for an inspection trip of California in search of a new location, having decided that he will no longer make Wallowa his home. We predict that Mr. and Mrs. Hug will again become permanent Elgin residents.

Lee Bell, one of the local registration officers, reported at a late hour last night that during the week 75 voters of North and South Elgin precincts had registered. Of the number three are socialists, two independent, and the remainder are evenly divided between republicans and democrats. It is estimated that there are about 800 voters in the two precincts.

## EXPRESS AGENT HAS RESIGNED

After two and one-quarter years as local agent for the Pacific Express company, L. F. Massee has tendered his resignation to that company to take effect February 15.

Mr. Massee came to the La Grande office from Walla Walla, and since his regime commenced, the office has doubled its business.

He resigns to accept an offered position in the Blue Mountain creamery of this city, and after the date of effectiveness or perhaps before, he will be at his new post.

His successor to the local office is not known at this time. The resignation was sent in to headquarters last evening and it may be several days before the new agent is named.

## CREAMERY OFFICERS WERE ELECTED LAST NIGHT

Late yesterday afternoon the directors of the Blue Mountain Creamery company in this city, met to elect officers from among their number, to take charge of the business for the ensuing year. Only one new name appears in the slate of the year past, and that is H. S. Massee, who now holds the vice-presidency. The full slate follows:

J. W. Bush, president and manager; H. S. Massee, president; C. A. Vurpillat, secretary and treasurer.

### Possible Candidate.

Charles P. Strain, assessor of Umatilla county, who has made such a successful and continued fight for the correct assessment of taxes in Umatilla county, is being boomed by a large number of eastern Oregon democrats for congress from the Second district.

### A Fair Proposition.

We wish to supply your drugs this year. You wish to trade where your interests will be most fully protected and promoted. We should combine and our proposition is this:

Begin trading here with the intention of remaining a customer only so long as you receive courteous treatment, get wholly reliable goods, find what you want and are satisfied with prices.

If you do this we shall not ask you to remain unless every one of these conditions is fully and satisfactorily met.

# WHEN YOU CATCH COLD

Do not take chances on it wearing away or experiment with some unknown preparation which may leave the bronchial tubes and lungs weakened and susceptible to attack from the germs of Pneumonia or Consumption.

# FOLEY'S HONEY AND TAR

not only stops the cough but heals and strengthens the lungs and prevents serious results from a cold. Contains no opiates.

### Be Sure You Get Foley's

There are substitutes made to sell on the good name of Foley's Honey and Tar. Beware of them. You should have confidence in a cough cure that has been sold with universal satisfaction for thirty-five years. The genuine Foley's Honey and Tar is in a yellow package. See that you get it.

Three sizes—25c, 50c and \$1.00. The 50-cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

SOLD AND RECOMMENDED BY  
A. T. HILL, Druggist.

### A Mother Testifies

This is to certify that my daughter was down for almost one year with a cold. The doctors finally pronounced it consumption. We had given up hope for her recovery. I was given a sample bottle of Foley's Honey and Tar. I gave it all to her in about three hours. It stopped the cough, and gave her rest. I sent next day and bought a 50c. bottle and began giving it. In three month's time she was well. There can not be too much said in favor of Foley's Honey and Tar. It saved my child's life.
