THE BOY AND THE BANK BOOK

should be inseparable—that is, every boy should be taught to save, even before he begins to earn. The younger the start the more they will save, and the better they will enjoy the habit of saving. We encourage thrift in the young, knowing that it leads to independence and prosperity in middle age. Bank your savings with us, and watch them grow year by year. In this way your money will be earning money.

ARTISTS GATHER FOR FINAL PLANS

Twenty-five of the tip-top local minstrel talents have been picked for parts in the Elks' minstrel, which is to be presented here on February 11 and 12, to swell the new Elks' building fund. These 25 artists and whoever else feels inclined to help the good move along, are asked to appear at the Elks' hall this evening, when full and final plans will be formulated. Parts for the olio, end-men, singers, dancers and "stunt" men are

all to be picked at this evening's meeting, when the arranging manager, Mr. Miller of New York, is to be here. There is need of more help. The Elks want all talent available to be present this evening. It is not necessary for admittance to the cast to carry an Elks' pin or password. The lodge wants all, regardless of lodge relation. Be out this evening and help to make the coming event one long to be remembered.

DEMAND FOR SCRIP LIGHT

Advance information has been received by Agent J. H. Keeney from the O. R. & N., pertaining to the future sale of scrip books. About the first of February there will be three or four classes on sale, which will be of much the same nature as the class now on sale. The exact rulings which will control the sale of the new books which are soon to be out, is not definitely known.

Locally, there is little demand for the \$30 scrip books, which went on sale the first of the year. In many ways the scrip is convenient and in the end is really a money saving means. To a person contemplating two trips to Portland within the year, it will mean the saving of \$4.50, as the 1000-mile scrip book is purchased for \$30 and provides for a rebate of \$4.50 when used up. The scrip can be used as mileage or to purchase tickets.

It is presumed the new set of scrip will be on sale under similar rules.

ELLIS HELPS ENTRYMEN

That Congressman W. R. Ellis of this city, is closely guarding the interests of the people of the eastern Oregon congressional district, is shown by the measure for the relief of desert land entrymen introduced by him in the house last Saturday morning.

The measure is to provide for the relief of desert land entrymen who may have been delayed in making final proof on their claims by reason of floods, washouts or other unavoidable obstacles and extends the time of making such proofs to April 1, 1910. The time for the reclamation of such land is also extended to October 1, 1909. A Washington dispatch says of the bill introduced by Congressman Ellis: Representative Ellis today introduced a bill providing that the time for reclamation of all lands covered by desert land entries in Umatilla county, Oregon, heretofore made, where it can be shown in the satisfaction of the department of the interior that the entryman has been hindered, delayed or prevented from reclaiming such land by unusual floods, either directly or indirectly, is hereby extended until the first day of October, 1909, and the time for making final proof of reclamation of said lands is hereby extended to the first day of April, 1910.—Pendleton East Oregonian.

Figures Count.

Figures are what count; talk today goes for but little; hence, we want to have every one in Union county try our store as a place where they can buy drugs right, and of perfect quality, and good treatment generally will be accorded all. Our knowledge of cost and selling price of drugs and goods generally kept in a drug store should be of benefit to all our customers. We have spent over 20 years in strictly retail business, and a number of years in strictly wholesale business. Hence we know how to buy and how to sell. Try the Corner drug store of Silverthorn & Ma...

Are often capable of doing injury to less positive people, the very emphasis of their affirmation making up for lack of argument and want of evidence. And the worst of all dogmatists are those doctors who, harking back to some old dogma of the schools, insist that certain patients are beyond all medical help, because, forsooth, their diseases are beyond the limited medical knowledge of the dogmatist.

"When the physicians had given me up I was cured by the use of Dr. Pierce's Golden Medical Discovery." That statement, varied sometimes in form but identical in fact, is one of the common expressions found in the letters of those cured by "Golden Medical Discovery." Sometimes the statement runs: "I was given up by four doctors," showing a desperate effort to find relief in local practitioners. But however the story begins, it almost invariably ends with the statement, "I am perfectly cured by Dr. Pierce's Golden Medical Discovery."

Persons suffering from "weak" lungs, hemorrhages, deep-seated cough, emaciation and weakness, have been restored to perfect health by the "Discovery." The philosophy of the cures effected by this marvelous medicine is not hard to understand. Life is sustained by food, digested and assimilated. The basis of health is a good appetite and a sound digestion. In almost all cases of disease loss of appetite is an early symptom, and this is promptly followed by a wasting of the flesh. For some cause the food eaten is not being converted into nutrition and the body and its organs, being starved, must grow weak. There is only one way to get strength and that is by food. Dr. Pierce's Golden Medical Discovery heals diseases of the stomach and allied organs of digestion and nutrition, so enabling the body to assimilate the needed nourishment. Thus various forms of "weakness," so-called, are cured by the "Discovery"—"weak" lungs, "weak" heart, "weak" nerves, "weak" or sluggish liver, etc., because the organs are made strong by food, which is perfectly digested and assimilated after the "Discovery" has healed the diseases of the stomach and associated organs of digestion and nutrition.

PAIN ALL GONE.

"I have taken your medicine with the greatest satisfaction," writes Mrs. George Riehl, of Lockport Station, Westmoreland Co., Penna., and can honestly say Dr. Pierce's Golden Medical Discovery has cured me of a pain in my right lung that the best doctors could not help. My appetite and digestion have improved so that I can eat anything at all, and I feel better than I have for years. Your "Favorite Prescription" has cured me of womb trouble that I suffered from for fifteen years, and painful monthly troubles. I can work a whole day and not get tired. My pain is all gone and I feel like a new person. I suffered with headache all the time, and have no headache now since taking your medicine. Your "Golden Medical Discovery" and "Favorite Prescription" do all that you claim for them, and more, too. I have been cured of troubles that I suffered from for fifteen years, and the best doctor in the State could not cure me. "Golden Medical Discovery" cured me of neuralgia that I suffered from for five years, and if my letter can save one other poor sufferer, you can publish it."

"ALMOST A MIRACLE."

"I took a severe cold which settled in the bronchial tubes," writes Rev. Frank Hay, of Nortonville, Jefferson Co., Kansas. "After trying medicines labeled 'Sure Cure,' almost without number, I was led to try Dr. Pierce's Golden Medical Discovery. I took two bottles and was cured, and have stayed cured."

"When I think of the great pain I had to endure, and the terrible cough I had, it seems almost a miracle that I was so soon relieved."

Dr. Pierce's Pleasant Pellets cure constipation. They do not react upon the system and become a necessity, as do many other pills.

The Blue Mountain Cough Syrup is not a new mixture for a cough. It is an old standby for coughs, colds, la grippe, whooping cough and sore throat. For sale by Red Cross drug store.
