SEEKING MORE DATA

In accordance with instructions issued to him by the city council, City Recorder I. R. Snook today dictated letters to Pendleton, Walla Walla and Baker City officials, to obtain figures with which to compare the cost of street lights. Figures and data so obtained will be compared with those now being paid by the city of La Grande to the Grande Ronde Electric Light company.

U. OF O. TO PLAY PENDLETON TEAM

Pendleton, Feb. 7.—The athletic event of the winter in eastern Ore-

gon high school circles will be the basketball game which is to be played in this city on Friday evening, February 14, between the University of Oregon's fast team and the Pendleton high school team.

Arrangements for this important game are now being made by the local team and is being looked forward to with intense interest. Since the U. of O. team is one of the strongest on the coast, this contest will have much to do with fixing Pendleton's place in basketball circles of the state.

The local team has arranged for one game each week during the remainder of the winter, games now scheduled being those with the Walla Walla high school team on Saturday, February 22, and with the Spokane high school team on Friday, February 28. Other games will be announced later.

A Lost Boy.
About last May Frank E. Westcott worked for some lumbering company in this city or vicinity. He left here for Hellen, Wash., and his father, who resides at Fairton, N. J., has heard nothing from him since. He generally took active work in church matters, and any information will be gladly received by his father, or Rev. C. E. Deal of this city.

BLOOD POISON

HUMILIATING-VILE-DESTRUCTIVE

The first symptom of Contagious Blood Poison is usually a little sore or ulcer, which is quickly followed by a red rash on the skin, swollen glands in the groin, falling hair, ulcerated mouth and throat, and often copper colored spots on different parts of the body. As the blood becomes more fully contaminated with the poison, pustular eruptions and sores break out of the flesh, and in extreme cases the nerves and bones are attacked and the finger nails drop off. Then the sufferers find themselves diseased from head to foot with this humiliating, vile and destructive poison. No other disease is so highly contagious; many an innocent person has been inoculated by handling the clothing or using the toilet articles of an infected person. There is but one certain, reliable cure for Contagious Blood Poison, and that is S. S. S. It attacks the disease in the right way by going down into the circulation, and neutralizing and forcing out every particle of the poison. It makes the blood pure and rich, tones up the system, and completely and permanently cures this disease. S. S. S. has cured thousands of cases of Contagious Blood Poison. If you are suffering with this debasing and destructive disease begin the use of S. S. S. and get the poison out of your blood before it permanently wrecks your health. We have a home treatment book on the disease which we will send free to all who wish it and in addition our physicians will give without charge any medical advice needed. THE SWIFT SPECIFIC CO., ATLANTA, GA.

Strayed.
There came to my place 2 1/2 miles east of La Grande, about Nov. 1, 1907, bay driving mare, branded 66 on left hip; weight about 1050 pounds. Owners may have same by paying pasturage and for this notice.
W. J. HUGHES,
Route 2, La Grande, Ore.

For Biliousness and Sick Headache.
Take Orino Laxative Fruit Syrup. It sweetens the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs. Orino Laxative Fruit Syrup cures biliousness and habitual constipation. Does not nauseate or gripe and is mild and pleasant to take. Remember the name, Orino, and refuse to accept any substitute.
A. T. Hill, druggist.

Many a man looking for sympathy needs really two swift kicks properly placed.
