Money Supports the Home

and it needs a steady influx of it to maintain the household and keep it going. To be sure of that steady flow of money, it is the best plan to bank the savings so that you will know where to reach them in time of need. For "rainy days" come to the thriftiest of us at times, and it is well for us if they find us prepared. Bank your surplus cash with us now, and you will have the pleasure of knowing that it is not only secure, but earning good interest.

STARKEY NEWS ITEMS

Tom Loftus' horses are improving, but more are taking the disease which has spread over the prairie.

We are having beautiful weather in this part of the country. It is neither muddy or cold.

A party at Henry T. Hill's was enjoyed Saturday evening by Starkey's young people.

Music, dancing and games lasted until 2 o'clock a. m. A lovely supper was served at midnight. The music was furnished by Mr. Hill's large graphophone, and Richard Burnett with the violin, and Manvil Ayres with his cello.

Barney Sparrow made a business trip to Starkey Saturday.

William Kennedy, one of Starkey's "populists," had a painful accident a few days ago. While hauling wood something went wrong with one foot. He failed to ascertain the cause. Lawrence Burnett gave "Texas" the helping hand in his affliction.

A. J. Sullivan purchased from Maurice Walmer of La Grande, a pair of baby stag-hounds for the sum of \$25. They were delivered by a party of hunters, who were passing through the prairie on their way for a big hunt—and lots of fun.

School closed last Friday. Miss Coombs left for La Grande on board the stage Saturday morning.

Manvil Ayres and J. D. McMillan took the eighth grade examination. Both passed with a high percentage.

As J. D. has passed into high school, he will now finish breaking one of his father's driving horses to ride. We hate to see another one of our young people leave, because the number is rather limited, anyway.

COLORADO TO BOOM TAFT

Denver, Col., Feb. 12.—This is a gala day for the republicans of Colorado, members of the state central committee, chairman of county committees and editors of republican papers gathering here in response to a call issued by Chairman Vivian. The central committee will select the time and place for the republican state convention, to nominate delegates to the Chicago convention. Taft boomers are much in evidence and it is likely that Colorado's delegation will be pledged to support the secretary of war, although some opposition to the administration has developed in the grazing centers of the state, where the cattlemen are opposed to the government's attitude on the public lands and forest reserve questions.

Strayed.

There came to my place 2 1/2 miles east of La Grande, about Nov. 1, 1907, bay driving mare, branded 66 on left hip; weight about 1650 pounds. Owners may have same by paying pasturage and for this notice.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery, and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1 at the Newlin Drug Co.'s drug store. Trial bottle free.
