YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out. The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

PRESIDENT ROOSEVELT ON RELIGIOUS TOPIC

Washington, Feb. 12.—In the east room of the White House this afternoon, President Roosevelt received the delegates to the fifth convention of the Religious Educational association, and in a brief address highly praised their efforts to inculcate religious and ethical ideals into the educational system of the country. He urged a union of patriotism and piety in the training of the young. His speech was greeted with applause by the hundreds of distinguished clergymen, educators and college presidents and professors who attended the reception.

The morning session of the convention was principally devoted to a resume of the work of the association during the last year by General Secretary Henry F. Cope of Chicago, and Dean George Hodges of the Harvard Episcopal Theological school. Among those participating in the discussion that followed were President William H. P. Faunce of Brown university, President Samuel A. Elliot of the American Unitarian association, Secretary Frank Knight Sanders of the Congregational Sunday School society, and President Charles Cuthbert Hall of Union Theological seminary, New York.

Department sessions will be held this afternoon, following the White House reception.

FOLEY'S KIDNEY CURE

Cures Kidney and Bladder Diseases in Every Form—Many People Have Kidney Trouble and Do Not Know It.

HOW TO FIND OUT.

It is the function of the kidneys to filter and purify the blood which is constantly passing through them.

When the kidneys are out of order the other organs are affected immediately and you may have symptoms of heart trouble, stomach and liver trouble, and other ailments, which are all owing to the kidneys being weak and out of order.

If you are sick **Foley's Kidney Cure** will strengthen and build up the worn out tissues of the kidneys so they will act properly and the symptoms of weakness, heart, stomach and liver trouble will disappear and you will be restored to perfect health.

How to Tell if You Have Kidney Trouble. You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased and **Foley's Kidney Cure** should be taken at once. **Foley's Kidney Cure** is pleasant to take and acts directly upon the parts affected and you begin to feel better at once.

It corrects slight disorders in a few days and it has cured many obstinate cases after other treatment had failed.

Doctors Said He Would Not Live. Peter Frey, of Woodruff, Pa., writes "After doctoring for two years with the best physicians in Waynesburg, and still getting worse, the doctors advised me if I had any business to attend to I had better attend to it at once, as I could not possibly live another month, as there was no cure for me. **Foley's Kidney Cure** was recommended to me by a friend, and I immediately sent my son to the store for it and after taking three bottles I began to get better and continued to improve until I was entirely well."
