Danger in a Cold

Because you have contracted ordinary colds and recovered from them without treatment of any kind, do not for a moment imagine that colds are not dangerous. Not only pneumonia, but also the infectious diseases such as diphtheria and scarlet fever start with a cold. The cold prepares the system for the reception and development of the germs of these diseases. Take our advice—cure your cold while you can.

Chamberlain's Cough Remedy

by its remarkable cures of colds has become a staple article of trade and commerce. It is prompt; it is effective; it is reliable. Try it.

HERE TO STAY
 Although the present electric light famine has temporarily placed us out of business, we are not out of business by any means. When the lights are on again the public will find that we will still be here with the very best electric show in Eastern Oregon. We are taking advantage of the condition of affairs to make many improvements as the public will readily see when we again open to the public.
