Money Supports the Home

and it needs a steady influx of it to maintain the household and keep it going. To be sure of that steady flow of money, it is the best plan to bank the savings so that you will know where to reach them in time of need. For "rainy days" come to the thriftiest of us at times, and it is well for us if they find us prepared. Bank your surplus cash with us now, and you will have the pleasure of knowing that it is not only secure, but earning good interest.

OREGON POSSESSED WITH SPIRIT OF PROGRESS

Portland, Ore., Feb. 17.—(Special correspondence.)—The spirit of progress throughout Oregon was never more pronounced than at the present time. The commercial organizations of the state seem to be determined to do more effective advertising than ever before. There is a spirit of organization in the air, and the biggest effort centers upon the colonist rates from March 1 to April 30, and the \$30 rate from all points in the middle west to all points in Oregon is emphasized in every advertisement and every appeal.

Salem held the greatest progressive meeting in her history last week, and is preparing to hold a celebration Tuesday night, February 18th, at which she will entertain several hundred prominent citizens from outside points and more than 100 of these will be from Portland and include the leading financiers, manufacturers, merchants and property holders of the city.

Eugene is attracting a large amount of foreign immigration, and similar reports come from Ashland and Medford. The Coos Bay country is busy in presenting its claims, while eastern Oregon points are improving every opportunity to gain new citizens and new industries.

California has been aroused to the importance of the Pacific northwest, and especially that of the great inland empire, as a result of the magnificent

excursion which is being entertained in Los Angeles by the chamber of commerce of that city.

The positive assurance that Swift & Co. and other packing companies will locate enormous plants at Portland, will give an impetus to the livestock industry of all this portion of the United States. The location of these packing houses will add to the value of the holdings of every breeder and producer of cattle, sheep, hogs and poultry, and the dairy products of Oregon will be trebled and find a market in every part of the world.

Five tons of printed matter, representing in an attractive form, both by picture and by text, the vital facts relative to the important fruit districts of Oregon, have been distributed by the Portland Commercial club within the last few weeks.

Tom Richardson, manager of the Portland Commercial club, left this morning for Los Angeles to attend the annual dinner of the Los Angeles chamber of commerce.

The Trans-Continental Passenger association will decide, at an early meeting to be held in Chicago, upon the rates to Oregon points in connection with the national democratic convention at Denver in July. The Portland Commercial club made this request and will work to bring many of these delegates to the Pacific northwest.

WESTON NORMAL CORRESPONDENCE

Hugo Wienert, manager of the baseball team, has his men out practicing, and is getting them ready for a season of good work.

Several members of the Y. W. C. A. are in Walla Walla attending the conference.

The Normal basketball team added two other victories to its credit: one over Pearson academy with a score of 18 to 16 and the other at Waitsburg with a score of 30 to 15. They play the Washington State college next Tuesday. The players are Fred Sanford, manager, and Staggs, guards; Still, captain, center; Storm and Castilla, forwards.

The Tennessee Jubilee singers will give an entertainment in the Normal chapel Tuesday evening.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery, and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1 at the Newlin Drug Co.'s drug store. Trial bottle free.
