Money Supports the Home

and it needs a steady influx of it to maintain the household and keep it going. To be sure of that steady flow of money, it is the best plan to bank the savings so that you will know where to reach them in time of need. For "rainy days" come to the thriftiest of us at times, and it is well for us if they find us prepared. Bank your surplus cash with us now, and you will have the pleasure of knowing that it is not only secure, but earning good interest.

SUGAR FACTORY NEAR SPOKANE

A Spokane dispatch says: Interests identified with the Lamson Sugar Co. of Colorado will expend \$1,500,000 in a plant and acquire 15,000 acres of land adapted to the cultivation of sugar beets in the vicinity of Spokane, according to an announcement made by C. H. Herthy, who is here seeking a location for the factory and desirable lands. Six hundred men will be given employment in the factory, in addition to several hundred to take care of the agricultural part of the project. Experiments show that from 10 to 15 tons of beets can be harvested from an acre of land under irrigation in the Spokane valley. The price paid the ranchers at the mill ranging from \$5.25 to \$5.75 a ton. The acreage this year will be larger than ever before. Water service for four large tracts between Spokane and Hayden Lake, Idaho, was completed last fall and several thousand acres of new land will come under the ditch this spring.

To Attack Initiative Law.

The assault of the foes of the initiative and referendum which is to be made in argument of the case of the state of Oregon against the Pacific States Telephone & Telegraph company and the Sunset Telephone company, will take place before Judge Cleland in the circuit court on the morning of February 28, says the Oregon Daily Journal.

This date was fixed this morning by agreement of Attorney General Crawford and local attorneys for the defendant corporations. It was announced that the heavy legal artillery of the telephone company will be called from San Francisco to take part in the effort to overthrow the initiative and referendum system, and the time for the hearing was postponed from February 19, the date first suggested, in order to better suit the convenience of the telephone attorneys.

The issue in this case is the collection of \$9500 in taxes due from the telephone company in this county under the franchise tax, and the proceedings will be followed with interest by friends as well as the foes of the Oregon system of legislation. The tax is resisted on the ground that the initiative and referendum plan is in violation of the United States constitution and on numerous other grounds.

A CORRECTION.

New Pump Has a Capacity of 84,000 Gallons Per Hour.

In reporting the capacity of the new pump which has just been installed by the city, in last evening's Observer, our informant made a slip in giving us the capacity at 14,000 gallons per hour. It should have been 84,000 gallons per minute, which means 84,000 gallons per hour. Thus eight hours pumping will furnish 672,000 gallons, a quantity more than sufficient to supply the city, with a possible exception of a few weeks during the heaviest irrigation season, and it is possible that eight hours pumping may be sufficient to cover this period.

Grafting

is a dead issue. So says Dr. H. C. Parker of the Indiana School of Medicine, in Collier's Weekly. We concur with him. Blue Mountain Cough Syrup will cure your cough, not as pleasant to take as some others, but it contains the ingredients that will positively and absolutely cure that cough. RED CROSS DRUG STORE.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery, and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1 at the Newlin Drug Co.'s drug store. Trial bottle free.
