REFORM LEAGUE MEETS.

Baker City Ministers Received Anonymous Letters Recently.

The civic reform league met in the Methodist church Sunday afternoon with a very large attendance and added 22 new members to their list of membership, says the Baker City Democrat. The membership now numbers 100. There were several very interesting speeches and the climax was reached when Dr. Hayden announced two anonymous letters, one of a threatening character and the other couched in language unfit for the press. No fear need be anticipated from these letters, but it is unpleasant to receive them. If it is the purpose of the sender to defeat any of the work now being undertaken by the league he has simply intensified the zeal of the league to restore municipal purity in Baker City. There will be meetings every Sunday afternoon.

WASHINGTON WINS GAME.

Carries Off the Championship of Washington and Idaho.

In a hard contested game of basketball last night between Whitman college and Washington State college, victory was snatched from Whitman in the last minute of play, and W. S. C. carried off the championship of Washington and Idaho. The score was 12 to 11.

During the first half Whitman seemed to be asleep and when the half was finished the score stood 2 to 10 in favor of W. S. C. But in the last half Whitman played a brilliant game and ran the score up to 10 to 11, when, by a long throw for basket by Rader of the visiting team, W. S. C. gained two more points and the final score was made, time being immediately called.—Walla Walla Union.

Has a Coffin on His Hands.

James Pond, the Umatilla Indian, who anticipated the death of his wife and purchased a coffin several days before he expected her to die, is now in a strange predicament. His wife has recovered and is now alive and well and he cannot return the coffin, he says, to the dealer, and so has it stored on his ranch on the reservation awaiting developments. His ribesmen have vigorously protested against his hasty action in purchasing a coffin before actually needing it and every effort will be made to prevent such actions in future.—Pendleton E. O.

Pound of Radium, \$900,000.
Although scientists believe that radium discovered by Mme. Curie in 1902, is widely distributed over the world in minute quantities, the present principal source is the pitchblende of Joachimsthal, North Bavaria, where a few grains of radium appear in a ton of pitchblende. A pound of radium, if it could be bought, would cost about \$900,000.

The Jumping Off Place.

"Consumption had me in its grasp; and I had almost reached the jumping off place when I was advised to try Dr. King's New Discovery, and I want to say right now, it saved my life. Improvement began with the first bottle, and after taking one dozen bottles I was a well and happy man again," says George Moore, of Grimesland, N. C. As a remedy for coughs and colds and healer of weak, sore lungs and for preventing pneumonia New Discovery is supreme. 50c and \$1 at the Newlin Drug Co.'s drug store. Trial bottle free.
