### YOUR WORK

Is what we want. We don't call on you one week for it and tell you the next we cannot do it for you. We want it now, and all the time. We do not think it necessary at this time to say anything about the class of work we turn out. The fact that we have been in the LAUNDRY business for twelve years in La Grande we think sufficient evidence that our work is satisfactory. Try it.

## TEAM HERE THURSDAY

The Walla Walla high school basketball team will arrive in La Grande tomorrow evening from the west and spend the night and Friday here resting up for the game with the local team on Friday night.

With the players will be the coach and manager and substitutes, the total number reaching 19, as that number is to procure reduced rates. The team will probably leave La Grande Friday night on the west-bound, as the Garden City quintet will compete with the Pendleton high school the evening following.

Locally, interest is running high. This is the first boys' game in La Grande of any consequence this winter, and those who could not accompany the team to Pendleton where it made a strong showing against some fast players, will be given the chance at the Noyes rink on Friday night.

The game itself with Pendleton and the practice since held, has rounded the local players into shape which they could not claim when they faced Pendleton. Notwithstanding that McMicken, the tall adept, will not be seen in the line-up Friday night, the team will be fully as strong as when it faced Pendleton.

Tickets are being sold in advance to cover the heavy expense of bringing the team here.

### RESUME LOCAL TRAIN.

Regular Passenger Between Pendleton and Walla Walla Soon.

On Sunday, February 23, the O. R. & N. company will voluntarily re-establish the regular passenger train between this city and Walla Walla, and it will be kept in service permanently thereafter, it is thought, says the Pendleton East Oregonian.

Agent F. J. Quinlan, of the O. R. & N. offices in this city, today received a message authorizing the new service and giving the schedule of the trains which is as follows:

Train 45 will leave Walla Walla every morning at 9 o'clock and will arrive at Pendleton at 10:45.

Returning train 46 will leave Pendleton at 4:50 and will reach Walla Walla at 6:50. The mixed trains, Nos. 41 and 42 will be continued in service but will not carry passengers after that date.

This action on the part of the O. R. & N. company, is greatly appreciated by the people of the east end of Umatilla county and the train is assured of an excellent patronage.

### Riparia Line is About Done.

The work of installing the concrete culverts between Almota and Lewiston will be commenced at Almota today by a crew of 50 men under L. C. McCoy, in charge of bridge construction for the Harriman lines in the northwest, says the Lewiston Teller.

Preparatory to this construction a work train was brought to Lewiston last night and secured the tools and equipment stored at Holbrook's island to be used in the camps engaged in the bridge and culvert work. There are 20 concrete culverts with steel stringers and about the same number of cast pipe culverts to be installed between Almota and Lewiston.

A report received from Riparia last night stated the derrick and equipment cars of McCleary & Willard had not yet reached that point, and this equipment may not reach Lewiston today. In the meantime, however, the bridge crew will be assembled here preparatory to beginning work as soon as the equipment arrives.

The construction of the bridge will be under the supervision of L. C. McCoy, who will be in Lewiston during much of the time the structure is building.

Is a dead issue. So says Dr. H. C. Parker of the Indiana School of Medicine, in Collier's Weekly. We concur with him. Blue Mountain Cough Syrup will cure your cough, not as pleasant to take as some others, but it contains the ingredients that will positively and absolutely cure that cough.
