SUICIDES AT ATHENA.

Habitual Drunkard Slashes His Neck With Broken Bottle.

Dan Avery, former roustabout in Pendleton saloons, killed himself in the jail at Athena shortly after noon Monday, while suffering from delirium tremens, says the East Oregonian. He killed himself by cutting his throat with a broken pint bottle.

Avery had been staying for several days with Jerry St. Denis on the reservation and escaped while violent from delirium tremens and went to the marshal. When that officer went to dinner at 12 o'clock he left Avery in the town jail for safe keeping. When he returned but a short time later he found his prisoner dead.

Finding a bottle in the jail Avery had broken it and with the sharp edge succeeded in cutting his throat. He severed both the jugular vein and the windpipe. Shortly after the finding of the body Coroner Folsom was notified of the tragedy, and he will go to Athena, though it is doubtful if any inquest will be held.

Avery was about 40 years of age and is said to have been around Pendleton for several years. He worked as a swamper in saloons during the winter months and had worked as a harvester during the summer.

DEBATE NEXT FRIDAY.

Baker and Union to Meet on Railroad Ownership Question.

Plans have been perfected for the debate Friday night in this city, between the Baker City high school and the Union high school, says the Herald. The question to be debated is: "Resolved, That the government should own and operate the railroads of the United States." Baker will have the negative and think they can show that it would not be practicable for the government to attempt such work.

The musical part of the program will be one of the features for there will be several selections by the ladies' octet, besides the usual quota of high school songs and yells. This contest is quite interesting to Baker City, for La Grande and Pendleton have lost to their opponents and Baker is the only large school still in the race in this district.

Baker City has a strong team and the whole school has been helping them in securing data on the question. William Hermesen, Frank McCulloch and Roy Barton will uphold the honors of Baker City and will be opposed by three girls, Gertrude Stoker, Ruth Scibird and Madeline Hill of Union. The question is one that should interest all classes and a large audience should be present to encourage the home team.

THE MODEL RESTAURANT

To Be Enlarged—Building to Have a New Front.

Plans are now being prepared by Architect C. R. Thornton for a change in the front and interior of the Chas. G. Bunte building, now occupied by the Model restaurant. The change also means that the building formerly occupied by J. E. Coffey's barber shop will be included. This will give the Model restaurant additional room, and will provide a private banquet parlor when required. The ceiling will be ornamental steel and the front will be topped off with a galvanized cornice. Mr. Aruckle, the proprietor, has been trying to secure these changes for the past two years, but not until the recent fire could he persuade Mr. Bunte to consider it.

OFF FOR ENTERPRISE.

Several La Grande Men Will Be Present at the Dedication.

On Friday next the city of Enterprise will be the scene of an enthusiastic gathering, the cause of which being the dedication of their handsome \$20,000 two-story, cut stone Fraternal building, built jointly by the I. O. O. F. and Knights of Pythias. The lower floor is used for commercial purposes and the second floor for lodge rooms. The main lodge room is 34 by 57, with a banquet room of the same size. The entire building is 60x90. Those from this city who will be present are W. J. Snodgrass, J. W. Knowles, William Miller and S. R. Haworth.

A Great Day.

A dispatch to the Portland Oregonian says as a result of the recent revival services in that city, that 173 new members joined the Methodist church last Sunday, and that 63 were baptized at one service. This is the result of the work of Evangelist Haudenschield, who will hold a series of meetings here in April. During that meeting there were reported to be over 400 conversions. It was a union service of five churches and all received large additions.

Wood Notice.

Notice is hereby given that the district school board of school district No. 1 of Union county, Oregon, will receive up to 4 o'clock p. m., of March 5, 1908, sealed bids for furnishing said school district No. 1 with 150 cords of four-foot split, yellow pine and red fir wood, said wood to be cut while green and not later than June 1st, 1908, free from large knots and acceptable to said school board.
